

Dear Parents/Guardian

I extend a heartfelt welcome to all students, parents, and staff as we embark on another exciting academic year. Our school's theme this year is **"Mission Possible"**.

Together, we have created a nurturing community where every scholar can thrive. Our commitment to a safe inclusive, and stimulating environment remains unwavering.

To our cubs (Kindergarteners) and new students to Plantation Elementary, Welcome to our school family! Embrace this journey with an open mind, knowing that our teachers and your fellow classmates are here to support you.

Returning scholars, welcome back! I am eager to witness your growth and accomplishments as you continue to excel to make the **"Mission Possible"**.

Parents, your partnership is paramount. We welcome and value open communication and collaboration to ensure your child's success to greatness is met.

As your Assistant Principal, I am dedicated to fostering respect, empathy, and resilience. Together, let's celebrate our achievement of becoming a **"B"** rated school. Our mission is set, here's to an exceptional year ahead, filled with joy, curiosity and the pursuit of knowledge in becoming an **"A"** rated school. The **"Mission is Possible"**,

Welcome Back, Everyone!!

Dana Rhodes-Hurley,
Assistant Principal
