

Classroom Placement

You are very fortunate to be at Pembroke Pines Elementary. Our teachers are certified, met the No Child Left Behind Act (N.C.L.B) requirements, and are the best in the county! A child's classroom placement is our number one priority. As part of our placement procedures, we regretfully do not accept or honor specific teacher requests for placement. If you feel your child has specific characteristics that fit certain types of teaching styles feel free to contact Ms. Donate (Guidance Counselor) with that information.

Thank you in advance for your cooperation!
