## BEACHSIDE MONTESSORI VILLAGE

This brochure highlights the clubs and organizations being offered at Beachside Montessori. Your child will need teacher approval in order to participate. This approval is based on study skills, behavior, and work habits. Upper school students must also maintain a minimum of a 2.3 GPA in order to be eligible to participate in a club or organization. Some organizations may require a higher GPA. Students may need to audition, or possess some special skills, in order to be in a specific club. Additionally, if at any time during the year a student fails to exhibit the appropriate behavior/work habits either in class or at a club meeting, they will be dismissed from the club. If students have specific questions about the club, he/she should contact the club sponsor. Completed applications should be returned to the homeroom teacher. Once club limits have been met, a waiting list will be created. We want to tailor our club offerings to the interests of the students. The Student Activities Program Coordinator is Mrs. Restrepo. You can contact her at 754-323-8050 or email at [Marye.Restrepo@browardschools.com](mailto:Marye.Restrepo@browardschools.com)
