*Expert Strategies For Admission*

# Plan, Don't Panic!

---

College may seem a long way off, but for some students, middle school actions will impact college admissions.

Understanding the process – what does and does not matter – will give your student a better chance at getting into the college of his or her dreams.

[internationalcollegecounselors.com](http://internationalcollegecounselors.com)  
[cheree@internationalcollegecounselors.com](mailto:cheree@internationalcollegecounselors.com)  
(954) 414-9986

# What Should Students Consider When Choosing a High School?

- Classes offered
  - Special Magnet Programs: Cambridge AICE, International Baccalaureate (IB), S.T.E.M., Arts, Maritime, Communications, Military, Language, Pre-Law, etc.
  - Advanced Placement (AP classes)
  - Associates degree/Dual degree program
- Extracurricular activities
- Size
- Location
- Financial Considerations
- College Placement
- What is the BEST FIT for YOUR CHILD

internationalcollegecounselors.com  
[cheree@internationalcollegecounselors.com](mailto:cheree@internationalcollegecounselors.com)  
(954) 414-9986

# What are Colleges Looking For?

---

## G.R.E.A.T. Kids

- **G**rades
- **R**igor
- **E**xtracurricular Activities
- **A**ll About You
- **T**est Scores

[cheree@internationalcollegecounselors.com](mailto:cheree@internationalcollegecounselors.com)  
(954) 414-9986

# What Should Students Do Freshman Year?

---

- Try new activities: sports, clubs, activities
- Go beyond – internships, job shadowing, community service
- Create an application activity list and add to it over time
- Do no-pressure college research
- Plan your summers wisely
- Build your vocabulary

internationalcollegecounselors.com  
[cheree@internationalcollegecounselors.com](mailto:cheree@internationalcollegecounselors.com)  
(954) 414-9986

# What Else Should Students Be Doing?

---

- Meet with your guidance counselor
- Apply for scholarships / Be aware of Florida Bright Futures scholarship requirements: <http://www.floridastudentfinancialaid.org>
- Monitor social media and texts
- Banish self doubt
- Get excited about college

# Accessing high school information via the BMV website

[www.browardschools.com/beachside](http://www.browardschools.com/beachside)

The screenshot shows the website header for Beachside Montessori Village, Broward County Public Schools. The navigation bar includes links for OUR SCHOOL, STUDENTS & PARENTS (highlighted in yellow), ACADEMICS, DEPARTMENTS, APPLICATIONS & FORMS, and CONTACT US. A search icon is located on the right. Below the navigation bar is a breadcrumb trail: Home / Students & Parents / Students / 8th Grade High School Information. A yellow arrow points to the '8th Grade High School Information' link in the left sidebar menu. The main content area displays the text 'Welcome to the 8th Grade Homepage for High School' and 'Click on the links below for high school information'. A link for 'High School Night 2018' is visible at the bottom.

# Home Boundary High Schools

How do I APPLY and select courses if I'm going to my home school

---

It is best to go directly to the home high school-

***EVERY PARENT MUST REGISTER THEIR CHILD  
ATTENDING ANY BROWARD COUNTY PUBLIC HIGH SCHOOL***

# Private schools

Please contact private schools directly for entrance and registration information

---

Be sure to ask about transferring high school credit courses taken in middle school

Please advise BMV if your child will be shadowing at a public or private school so we can FIELD TRIP the absence ahead of time.

[Robyn.eberhardt@browardschools.com](mailto:Robyn.eberhardt@browardschools.com)

[Philip.turturro@browardschools.com](mailto:Philip.turturro@browardschools.com)

# Private School

## Recommendations and Request of Records

---

Recommendations forms are completed by Mr. Turturro or Ms. Restrepo. We send them directly to the high school

Request for records go through Ms. Ward-Lee in the front office. She will send them to the high school

# Magnet Programs

Applications- December 2, 2019 - February 5, 2020

<https://www.browardschools.com/school-choice>

Broward County Public Schools (BCPS) is proud to offer high-quality educational programs at each of our schools. Our District is a national leader in providing innovative learning opportunities to help students reach their highest potential.

BCPS provides families with a variety of school choice options and encourages parents/guardians to explore all that BCPS has to offer.

**2019/20 School Choice application window closed August 27, 2019, 5pm**

**2020/21 School Choice Phase I application window: December 2, 2019 - February 5, 2020**

- **There are 3 School Choice options for your child:**
- 

**Reassignment**

**Magnet Program (only one magnet program)**

**Nova High School**

**You can apply to all three School Choice options listed above, but you can only apply to one magnet program.**

**When you complete the application, you will be instructed to send a report card and FSA scores to the Demographics office.**

---

**FSA scores are on the 1<sup>st</sup> qtr. report card which will be distributed to students on Wednesday, November 13<sup>th</sup>, 2019.**

**Please do not call the school for FSA scores. All you need is the 1<sup>st</sup> qtr report card**

# Acceptance Letters

---

- Sent out by mid March, 2018
- If you get accepted, the school will send instructions for registration.

# If you are not accepted into the magnet program

---

- Magnet Schools usually have a 2<sup>nd</sup> and 3<sup>rd</sup> lottery (phase 2 and 3) until their program is filled. You can wait it out. DO NOT re-apply to the same school.
- You are welcome to change your "1st choice" to one that has availability. (Phase 2 or 3))
- You can contact the Demographics Office for further guidance. (See web page)

# Miramar High School's IB & Aviation Magnet Programs

“The finest college preparatory program in the world.”

# The IB Program's Mission Statement

- The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.
- To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.
- These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

# IB Students are Lifelong Learners

- Miramar IB graduates attend some of the finest universities in the country.
- Miramar IB graduates have gone on to study medicine, law, engineering, global science, politics and many other professions.

I Think  
Therefore IB

# IB LEARNER PROFILE

- **IB learners strive to be:**
- Inquirers
- Knowledgeable
- Thinkers
- Communicators
- Principled
- Open-minded
- Caring
- Risk-takers
- Balanced
- Reflective

**IB provides  
for creative  
experiential  
learning  
opportunities**

# MIRAMAR'S IB CURRICULUM

# MIRAMAR PROGRAM HIGHLIGHTS

- Miramar IB students earned over 12 million dollars in scholarship money.
- IB students averaged 30 college credits earned in high school
- IB teachers at Miramar High School are some of the most qualified and talented in the school district
- The IB program at Miramar is the only IB school in the district with a waiting list

## HOW COLLEGES VIEW IB

“IB is well known to us for excellent preparations. Success in an IB programme correlates well with success at Harvard. We are always pleased to see the credentials of the IB Diploma Programme on the transcript”

- Marilyn McGrath Lewis, Director of Undergraduate Admission, Harvard University

“Send us prepared students a la IB...It is the best high school prep curriculum an American School can offer”

- Marilee Jones, Former Director of Undergraduate Admission, Massachusetts Institute of Technology

An aerial photograph of a large aviation facility. The main building is white and tan, featuring a large American flag on the left side and the NASA logo in the center. The facility is surrounded by a green lawn, a winding road, and several smaller buildings. In the background, there is a body of water and a forested area.

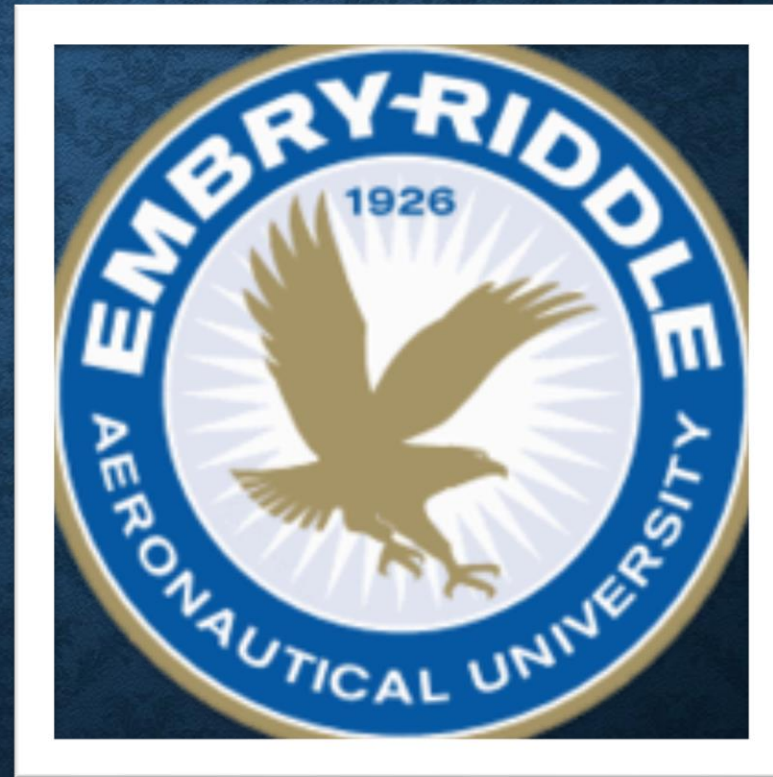

# AVIATION SCIENCE MAGNET PROGRAM

The Aviation Program offers:

- High-Tech Simulators
- Exciting and informative experiential field trips
- Explore various careers in aviation
- Interact with real-time aviation technology
- Dual enrollment classes through Embry-Riddle and Broward College
- Training and instructor endorsement to take the FAA knowledge exam.
- The opportunity to earn industry certification and employability skills in airplane maintenance
- A stand alone Civil Air Patrol Program

# AVIATION DUAL ENROLLMENT CURRICULUM

# BROWARD COLLEGE AVIATION MAINTENANCE

- Miramar High School Dual Enrollment Aviation Program
- Make Your Dreams Take Flight
- Earn your certificate to be a part of the Aviation Maintenance industry while attending Miramar High School! South Florida is a focus of aviation activity, and aviation maintenance is a critical component of the industry.
- Broward College is licensed by the Federal Aviation Administration (FAA) to offer all of the training you need to earn the two licenses you will need in order to work in the field: -Airframe Mechanic -Powerplant Mechanic
- Upon completion of the program you will have the right to be tested for a FAA Airframe and/or Powerplant Certificate.
- If you choose to go further in the Aviation industry, then the completion of the certificate programs may convert into college credit (30 credits per license) toward an Associate in Applied Science degree in Aviation Maintenance Management.
- Aviation Maintenance is an exacting profession with little room for error. If you like to work with your hands and your brain, are repair minded, detail oriented and willing to learn complex technical systems then this may be the field for you!
- Sequence of Courses
  - 9th grade Aerospace as 1 elective at MHS
  - 10th grade General aviation courses at BC
  - 11th grade Airframe 1 & 2 courses at BC
  - 12th grade Powerplant 1 & 2 courses at BC

## THE WORLD OF AVIATION AT MIRAMAR HIGH

- Over \$500,000 scholarships
- Pilot experience
- Notable recognition district-wide.

# TRANSPORTATION AND APPLICATION PROCESS

- Students living south of Griffin Rd. will be provided with transportation for the IB Program
- Students living south of Sunrise Blvd. will be provided transportation for the Aviation Program.
- The application can be accessed from [www.browardschoolsinnovativeprograms.com](http://www.browardschoolsinnovativeprograms.com)
- The application deadline is February 5, 2019

# Pre-Law & Public Affairs

- •Law
- •Government and Politics
- •Criminal Justice and Law Enforcement
- •Public Service (Military, EMT, Firefighting)
- •Social Work

# Flying L Pride

**GIFTED ACADEMY**

**Plantation High School**

- **Technology Infusion:** All students are issued laptops for the school year to have access to the content.
- **Transportation:** District-wide transportation is provided.
- **Gifted Self-Contained Classrooms:** All students are in gifted only core content classes/personalization period with highly qualified gifted endorsed teachers who offer opportunities for intellectual peer groups.
- **Communication with Parents/Guardians:** Gifted Academy faculty returns calls and emails within 24-48 hours. Parents and students have very short wait times for conferences or other meetings.
- **Designated building for core classes and personalization period.**

## WHY IS THIS PROGRAM DIFFERENT?

# Mentorship

## Three-tiered mentoring program

### Tier 1:

Student-teacher mentoring with weekly visits.

### Tier 2:

Underclassman-Upperclassman mentoring with bi-monthly visits.

### Tier 3:

Academic and Social-Emotional mentoring with designated Gifted Coordinator/School Counselor/College Advisor upon student requested.

## WHY IS THIS PROGRAM DIFFERENT?

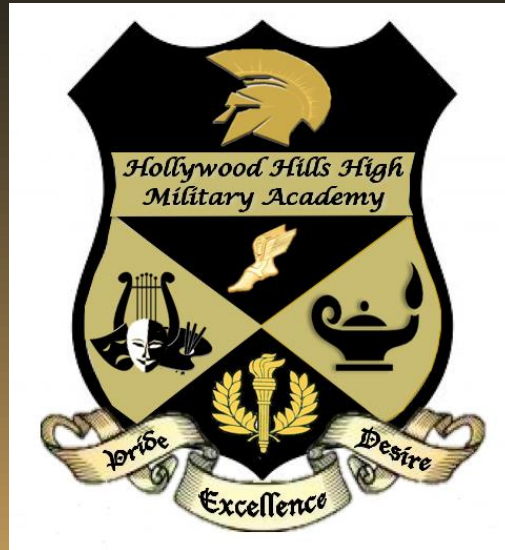

- We deliver **student-centered instruction** to include student voice and choice.
- We utilize **flexible pacing**- Different levels of learning in the same class.
- We offer **deeper learning & problem solving** opportunities to develop meaning.
- Students receive **frequent feedback** from instructors and peers.
- Students utilize our state-of-the-art **technology lab** with the most up- to-date hardware and software to make learning interactive, collaborate and comprehensive.

HOW DO WE DO THIS?

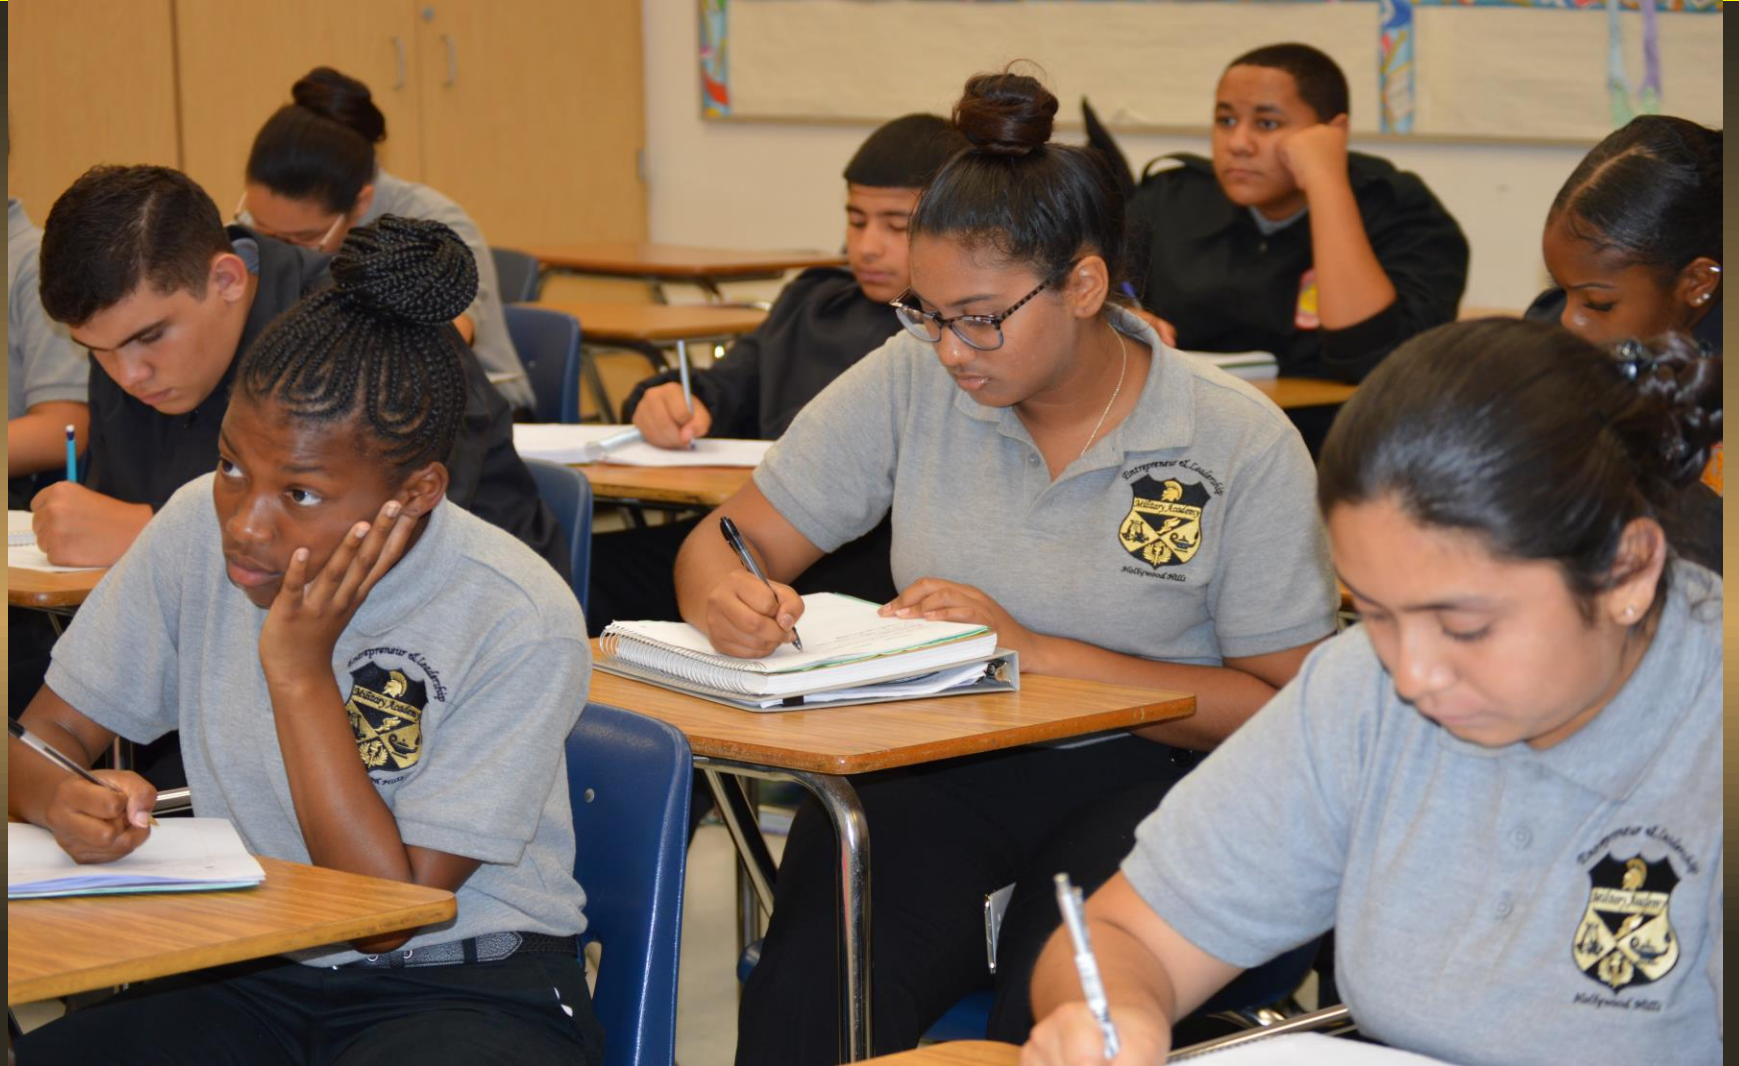

# Entrepreneur , Leadership & Military Academy

*It's a college preparatory Magnet program infused with a Military style leadership, ran by retired army personnel, business leaders, highly trained teachers, and college professors.*

The Mission: Is to afford all students equal access to a rigorous and innovative college preparatory curriculum that upholds the leadership and character development embedded within the JROTC program.

# Academy Myths

- WE ARE **NOT**
  - A BOOT CAMP
- WE ARE **NOT**
  - AN ALTERNATIVE SCHOOL
- THERE IS **NO**
  - MILITARY OBLIGATION
- THE ACADEMY IS **NOT**
  - A RECRUITMENT TOOL FOR THE MILITARY

# Academy Goals

## GOALS

- ✦ Provide a unique type of educational experience
- ✦ Create an environment with high expectations
- ✦ Cultivate leadership, citizenship and scholarship success in a competitive environment.

## OUTCOMES

- ✦ 99% Graduation Rate
- ✦ 97% Attendance Rate
- ✦ 90% Graduates who gain admission to post-secondary institutions

- Below is a recommended academic pathway:
- 4 years of math, with calculus in senior year (or minimum of precalculus). ...
- 4 years of English, with AP English Lang and/or lit.
- Minimum of 3 years of science (including biology, chemistry, and physics).
- If you are interested in premed, you should aim to take AP science courses....
- Minimum of 3 years of a foreign language.
- Minimum of 2 years History with at least 1 year of AP
