Happy New Year!

*Happy New Year, happy new start.
A chance to listen and follow your heart.
For life is a journey, life is a ride,
So hold on and take it in stride.
The ups, the downs, the good, the bad,
You wouldn't know happiness if you didn't know sad.
Embrace this year and all that it brings,
For from darkness comes light, from peasants come kings.
May you find happiness, adventure and fun,
And may this New Year be second to none!*

Happy Hanukkah

Attendance and Camera Policy Change

Important Attendance and Camera Policy Change to the Broward Schools Policy 5.5, which will be implemented on December 1, 2020. To improve instruction for our students, and the delivery of instruction by our teachers to our students, **students' use of Cameras will be required for Attendance and Instruction.** This critical change to the policy will allow our teachers to continue to build wonderful teacher-student relationships as students engage in eLearning this year. We look forward to seeing our students' beautiful smiles beginning on Tuesday, December 1, 2020. [Policy 5.5 - Attendance updated guidance for schools.](#)

If your student is experiencing camera issues with their current device or does not have a device with a camera schedule an appointment to receive a school laptop by filling out this form: [Cooper City HS Student Camera Requirement Laptop Request \(office.com\)](#)

VIII. DISTANCE LEARNING DUE TO EMERGENCY SCHOOL CLOSURES

I. ATTENDANCE: During a time when school buildings must be closed due to environmental conditions related to public health and/or safety, schools may be required to operate instruction through distance learning. The rules listed below will apply for student attendance during distance learning.

A. Recording student attendance during distance learning:

1. Teachers will record student attendance in their online attendance book. Attendance will be based on the student's presence in the digital classroom.
2. During distance learning, the use of student cameras is required for attendance and instruction. Students will be counted in attendance in the learning environment during their scheduled class time. Teachers should be flexible and consider any extenuating circumstances of individual students who may be unable to turn on a camera. Teachers may consider other evidence of attendance for individual cases.
3. **Students will be counted as absent** when no evidence of the student's online presence can be observed by the teacher during their scheduled class time.

Cooper City High Winter-Break Academy

As we prepare for Winter Break, we recognize that many of our students will continue to experience learning loss. To mitigate this loss during a year that has already presented significant challenges, we are pleased to launch a **Cowboy Winter Break Academy**. The Academy will provide students continued access to high quality instruction and assist students in gaining the knowledge needed to pass Quarter 2 in an attempt to increase their semester **Math and English** grade and mitigate possible failure and loss of course credits. Your child has been chosen to take advantage of this opportunity. Please email or call Ms. Chipi with Math questions at tchipi@browardschools.com or 754-323-0208. Please email or call Dr. Hozebin with ELA questions at carla.hozebin@browards.com or 754-323-0256.

Note: Students should continue to communicate with their teachers to complete Quarter 2 course work.

The Office of School Choice is here to assist parents, schools and the community-at-large with the School Choice process. Please use the information topics on the BCPS web site to learn more.

School Choice, [School Board policy 5004.1](#), provides parents with the option to apply to a school (in grades Kindergarten through 12) other than their [assigned school](#) during an open application window.

The 2021/22 application window is open through February 8, 2021. [Explore Your Options](#) and apply during the open window to be considered.

LEARNING OPTION FOR 2nd SEMESTER

The School Board of Broward County will continue to offer parents choice in selecting a learning option for the second semester of the 2020/21 school year, which begins Wednesday, January 13, 2021. The health, safety, and well-being of our students and staff remain our highest priorities during this time of uncertainty due to the coronavirus pandemic. Barring any significant, conflicting guidance received at a future date, District schools, including **Cooper City High School will continue to offer in-person and eLearning options** for the second semester 2020/21 school year.

We understand families have varying needs. Therefore, we are asking you to complete a **student-specific Second Semester Questionnaire** for each student in your home indicating your learning and transportation preferences. Your input is critically important, and it will assist us in determining the best way to accommodate the needs of our Cooper City HS students as we plan and prepare for the 2nd semester.

Please complete the questionnaire - one per student - **by Monday, December 21, 2020**. If you have questions or need assistance in completing the questionnaire, please call the school at 754-323-0200 or visit our [website](#).

We miss our Cowboys and we look forward to welcoming more of our students to face-to-face learning in the coming months.

CTV Does It Again!

This past November CTV was recognized with several awards from FSPA (Florida Scholastic Press Association) Fall Digital Contest. The awards are as follow:

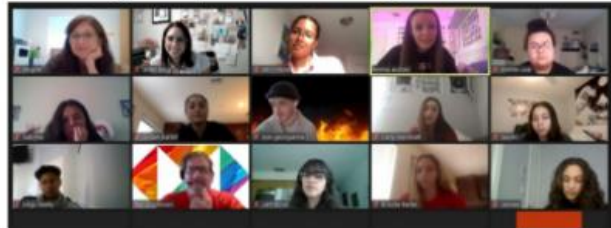

Congratulations to Our Editor-In-Chief!

Arielle Kraus, the print editor-in-chief of the student newspaper The Lariat, was recently announced as the CCHS nominee for the Silver Knight Award for Journalism. Offered by the Miami Herald and El Nuevo Herald since 1959, this prestigious award goes to students who have achieved academic excellence as well as supported their community through service. Arielle created a journalism club and newspaper run by fifth graders at Hollywood Hills Elementary School. Silver Knight winners will be announced in Spring 2021.

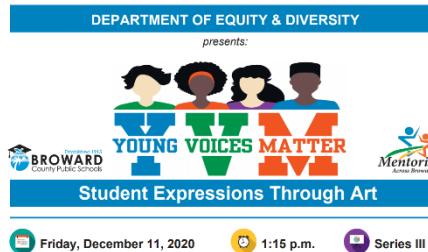

DECA:

It's 'business as usual' for all DECA students as we prepare for competition season! At the start of the year, chapter members chose the competition route they would take: Submitting business plans or participating in testing and roleplay. We have been busy preparing for these competitions all semester, and our first round is scheduled for the week of January 11th. We are proud of our members for all their hard work and look forward to presentation week!

VEI - Virtual Enterprise International 4th level of DECA Program

Virtual Enterprise International is the 4th level of our DECA Program in which students run and operate a business from the ground up. The classroom transforms into the workplace as students conduct business in a virtual economy with over 700 schools nationwide. Students earn virtual salaries and must keep track of their personal finances as well as the firm's finances. Competitions and tradeshow are also an integral part of VEI. This year, we have two firms participating in this exciting program: OneStream and The C.H.A.T. Both groups are currently working towards the Business Plan Competition, and The C.H.A.T., a podcasting business, placed in the top 10% for the Design for Delight competition and they received honorable mention for their Elevator Pitch and Company Branding competitions. Congrats!

Young Voices Matter Virtual Forum

CCHS students, Noy Levi and Lauren Dupoux, submitted an art expressions and that were presented on Friday, December 11, 2020 at 1:15pm during our Young Voices Matter Virtual Forum. Noy and Lauren along with students from other district high schools were featured guests who share their art expression with other students in the district. In addition, they shared the context, meaning, and information about their art to other students and adult panelist. Congratulations to Noy Levi and her art expressions "The Vision"!

2020 SATC Holiday Gift

Even though this year we were not able to provide the children with a full-on holiday party with food, beverages, desserts, games, and Santa, we were still able to provide them with gifts to open! All wish list items were donated, and we were able to raise \$2,365 dollars which I was able to use to purchase gift cards to the kids' favorite stores.

Cowboys put together bags of wrapped toys for each child and the stack of 18 holiday cards filled with gift cards. The SGA elves delivered all the goodies to the Nancy J. Cotterman Sexual Abuse Treatment Center on Wednesday.

Ms. Flaten and SGA would like to thank everyone who participated in this heart-warming event - from faculty and students who adopted a child [or two] to those of you who donated to the cause. While the SGA family were not able to have the usual stories of watching the delight on the children's faces throughout the evening, there's no doubt that they will thoroughly enjoy that moment when they get to tear into those gifts. 😊 Wishing you all a wonderful Winter Break!

Girls' Volleyball Team qualifies for the Big-Eight Tournament

The girls' volleyball team qualified for the big-eight tournament for the second time in school history. The team battled against Pines Charter, forcing a tie breaker but falling to the eventual Big 8 Champions.

Following the Big 8 was the Tri-County Playoffs, in which the Lady Cowboys were seeded 6th in the Gold Bracket. We faced a strong Wellington team and were eliminated in the first round. Coach Smitherman has called this season a tremendous success, merely in the fact that the girls were able to complete a season during the pandemic. We have a young team, and we look forward to next a season. **GO COWGIRLS!**

Congratulations to both the boys' and girls' Cross-Country teams that qualified for and competed in the Tri County Championships. The honor of competing in this event that capped a solid (all be it condensed) season that saw the girls team win all 3 of their meets. **GO COWGIRLS!!!**

NEW WATER BOTTLE FILLING STATIONS

Broward County Public Schools is pleased to announce that as of Monday, November 23, 2020 all schools have water bottle filling stations available for student and staff use.

Each school location has a minimum of three bottle filling locations. Additional stations will be added to some schools as additional students return for face-to-face instruction.

Following the Thanksgiving holiday, schools will no longer provide bottled water and all students will need to bring a reusable water bottle to school each day.

Additional information about the procedures for these new bottle filling stations is included below.

EXAMPLES OF ACCEPTABLE BOTTLES:

STANDARD HYGIENE:

The District has a limited supply of reusable water bottles available for students in need. Please contact your school Principal for additional information.

FAQ's for Face Covering Violations

• Is a face covering required?

Yes. Policy 2170-E: Face Coverings requires that a facial covering/mask must be worn while on school campus, at a school-sponsored event, and while on school transportation.

• Can a student be issued a disciplinary violation from the Code of Student Conduct for not wearing a face covering?

Students may be issued disciplinary consequences for actions determined to be intentional, insubordinate, defiant and not accidental or incidental, or when redirection and interventions have been disregarded.

• What should I do if a student refuses to wear or keep on his/her face covering?

Provide reminders and redirection in alignment to the school and/or classroom behavior plan. If the student does not comply with the redirection from staff and the action is deemed to be a repeated disregard to the redirection, a disciplinary referral may be written.

• What happens if the student refuses to wear or keep on the face covering while on school transportation?

Bus drivers may submit a disciplinary referral to the school administrator for a Level Two violation if a student does not comply with the reminder and/or redirection.

Note:

- Factors such as age, grade level, social-emotional, developmental and intellectual levels, ability and/or disability, and overall student rights and responsibilities will be considered.
- Students with disabilities who are eligible under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973 (Section 504), have additional rights under IDEA or Section 504 and State Board Rule.
