COOPER CITY HIGH SCHOOL WELCOMES:

TESTING SEASON

SEE PP. 8-9

FOR REVIEW SESSIONS

&

TESTING DATES

To highlight Disabilities Awareness Month, the students in Ms. Moon's class did a project that covers all the categories of the Individuals with Disabilities Education Act (IDEA). This started when her students had a lot of questions about their own disabilities, and she needed a way to present the information in a delicate, but informative manner, without disclosing any personal information about the students.

Face to face students and e-learners were grouped together in break out rooms and chose disabilities from IDEA's categories to present to the class. They did all their own research and submitted it to an elected group leader. Then, they worked with an adult group monitor to create a PowerPoint Presentation that they presented to their peers. All presentations are research-based but also personal, as some students add their own experiences of having a disability. It is a great way for them to learn about themselves, their disabilities, and how they can help their peers whose disabilities differ from theirs. Even through virtual learning, the students have been able to make it work and have shown themselves and each other everything they are capable of accomplishing. It is a month of students learning together, coping together, and teaching each other.

Diamond Awards – Congratulations Ms. Botsch-McGuinn

Diamond coach awards reflect excellence and longevity in the activity. A coach's first Diamond is earned when they receive 15,000 points and have been coaching in the Association for at least five years since achieving the degree of merit (25 points). Five years must pass between each new diamond award, and 15,000 points must be earned to receive a second diamond. An additional 30,000 points must be earned, and five years must pass for each additional diamond.

Ms. Botsch-McGuinn just received her second Diamond in the NSDA. This is a huge honor which measures a coach's longevity in the activity and the success of their students. It takes at least 5 years to earn your first Diamond and then 5 years between each one, including a required number of points that your students earned. Ms. Botsch-McGuinn earned her first Diamond in 2016 and now she has her second. We are so proud of you!

DEBATERS QUALIFY FOR NATIONALS!

Delighted to share we have two national qualifiers-Sophomores Matthew Feirstein and Louise Gong-McGovern will be competing at the NCFL nationals in May online, Matthew in LD Debate and Louise in Dramatic Performance. I did submit a CCTV announcement but wanted to let you know 😊 It has been a very exciting year for Debate 😊

Track & Field District Championship Qualifiers

On April 13 and 14 some of our track team competed in our District Meet. It was two days with lots of excitement and also some heartbreak, being the last meet for some. Although we are a very young team, only three Seniors, and with a low roster due to COVID, we still did very well! We have been working so hard and are very proud of our team!! Track is a different animal and to have most of your athletes stay until the end is, well...huge!!

Our whole District Roster contributed points to our scores!! 🌟🌟🌟
The Girls tied with Miramar for 3rd Place Overall!!!! Not too shabby. 😊

The Boys finished in 7th place!! 😊

Our Regional Meet will be held on Friday, April 30th at Tropical Park in Miami.

MINDFULNESS

4 WAYS TO PRACTICE GRATITUDE

1. Dedicate time each day to notice what surrounds you

When you are mindful, you pay attention to what is happening in the here and now aware of other's gestures. The more aware we are, the more chances we have of noticing all the good things that are around us. Noticing the good can improve our happiness. Our ability to pick up on the beauty of nature, kindness from one another, all require our ability to be cognizant of ourselves and our surroundings.

2. Practice gratitude for the little things

It is easy to be grateful for big things that happen to us, like getting a good grade on a test or winning an important game, but it can be more difficult to feel grateful for the small things we do every day. Reminding ourselves to be grateful for the things we do every day, such as eating a good meal or having a good night sleep, can be very powerful. Being grateful for the things we do for ourselves every day increases our sense of comfort, satisfaction, and peace.

3. Share your gratitude for your loved ones

We usually take our loved ones for granted. We can show our gratitude to them when we notice a kind act by a loved one by saying thank you or giving them a hug. It is important to show our appreciation and not let those kind acts go unnoticed. This gratitude can strengthen our relationships and increase our sense of connection.

4. Spread gratitude via your social media platforms

Using our social media platforms to show gratitude can create a more positive virtual environment. We can share an uplifting experience we had, things or picture of things we are grateful for. Spreading good is one way we each can do our part in this digital age to remind each other that we have a lot to be grateful for.

The CCHS Art Club has been spreading love to The Sheridan Assisted Living Facility in Cooper City.

During Covid the seniors living at the facility have not been able to see their loved ones. The Art Club has been creating decorations for the center such as Winter Snow People, Valentine Wreaths, and currently vases full of hand-crafted paper, Spring florals.

ART CONTEST

Mrs. Daub's art classes had the opportunity to enter a contest sponsored by the Cooper City American Legion. They were asked to create images for the front and back of a challenge coin. The winner's image will be cast in metal to create a new challenge coin to give to the Veterans at the Cooper City American Legion Post 32. The coin will commemorate the post's 50th Anniversary. We are so proud of all the students who participated. Congratulations to our 2 winners: Kaylee Brown (pictured below) and Brianna Megnauth (Drawing pictured below)

CHEERLEADING

Congratulations to the CCHS competitive cheer Team!!! They competed in the Large Non-Tumbling Division at the FHSAA State Championship in Lakeland, FL and earned the State Runner Up title. They had to beat 8 other teams in the semi-final round, before advancing to finals. This was the teams' first appearance in the FHSAA State Finals in years and the highest finish in the school's history. The squad was also recognized as the "Team of the Year" in the all-county section of the Sun-Sentinel, based on their award-winning season. We are very proud of the team, and Coaches, Julie Fernandez, and Jillian Shaffer Delvalle.

LACROSSE (BOYS & GIRLS)

With a short season last year, the Cowboys Lacrosse teams are grateful to be on the field. Both teams, the girls, and the boys, are thrilled for the opportunity to be able to play this year and are grateful to their teammates, coaches, and athletic department for making it happen. The rosters are smaller than normal which means more playing time for everyone and none of them seem to mind. The seniors were able to enjoy their traditional Senior Night activities with all the fanfare they deserve. Coach Bill, the head coach for the girls said, "We have been having so much fun, and I'm thrilled with how well the team is coming along considering we have very little experience together." The boys head coach, Coach Damian echoed the same spirit, "Better today than yesterday. Better tomorrow than today." Each team has just a few more games this season and they are all looking forward to a full roster next year.

NEW WATER BOTTLE FILLING STATIONS

Broward County Public Schools is pleased to announce that as of Monday, November 23, 2020 all schools have water bottle filling stations available for student and staff use.

Each school location has a minimum of three bottle filling locations. Additional stations will be added to some schools as additional students return for face-to-face instruction.

Following the Thanksgiving holiday, schools will no longer provide bottled water and all students will need to bring a reusable water bottle to school each day.

Additional information about the procedures for these new bottle filling stations is included below.

EXAMPLES OF ACCEPTABLE BOTTLES:

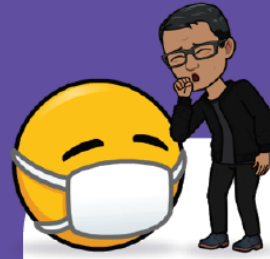

STANDARD HYGIENE:

The District has a limited supply of reusable water bottles available for students in need. Please contact your school Principal for additional information.

FAQ's for Face Covering Violations

• Is a face covering required?

Yes. Policy 2170-E: Face Coverings requires that a facial covering/mask must be worn while on school campus, at a school-sponsored event, and while on school transportation.

• Can a student be issued a disciplinary violation from the Code of Student Conduct for not wearing a face covering?

Students may be issued disciplinary consequences for actions determined to be intentional, insubordinate, defiant and not accidental or incidental, or when redirection and interventions have been disregarded.

• What should I do if a student refuses to wear or keep on his/her face covering?

Provide reminders and redirection in alignment to the school and/or classroom behavior plan. If the student does not comply with the redirection from staff and the action is deemed to be a repeated disregard to the redirection, a disciplinary referral may be written.

• What happens if the student refuses to wear or keep on the face covering while on school transportation?

Bus drivers may submit a disciplinary referral to the school administrator for a Level Two violation if a student does not comply with the reminder and/or redirection.

Note:

- Factors such as age, grade level, social-emotional, developmental and intellectual levels, ability and/or disability, and overall student rights and responsibilities will be considered.
- Students with disabilities who are eligible under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973 (Section 504), have additional rights under IDEA or Section 504 and State Board Rule.
