 - i. Multicultural Club officers will present plans for events at the April SAC meeting.

- e. District Committee Updates – Debbie Espinoza – DAC Representative**

- i. Dr. Nesmith discussed policy and procedures involved in wandering and searching of students. The security staff will lead training. The goal is for wandering to serve as an added deterrent to bringing contraband to school. Parents will be alerted if a weapon is found. In addition, parents are encouraged to check students' bookbags. The School Board is hoping to make the policy permanent at the next School Board meeting. RAPTOR has been improved and will now run national background checks on campus visitors. The Soar Into Summer experience is open for remediation and course recovery from June 20 – July 28th. There is no acceleration option this summer but students can enroll in online courses if they wish. 900 hours of classroom seat time is needed for FTE purposes. Schools are pushing to change midterm test days back to half days which may impact the total number of Professional Study Days for the year. A nominating committee is being created to nominate members of the District Advisory Council (DAC). At the South Area Advisory Meeting, a member of fleet services stated there are about 200 vacancies and they are working on creating more accurate routes for buses. The State Legislature Bill HB461 would change the hours needed to achieve Bright Futures from volunteer to paid hours in order to accommodate students who do not have time to volunteer due to work commitments. The District would like feedback on what defines a "reasonable attempt" to contact a parent when a student must be removed from campus. A subcommittee was created for bus transportation and meets weekly to discuss transportation issues. Parents will need to pre-register their students for bus transportation next year. non-Failing to register will lead to a 10-day delay while waiting for a mailed bus pass. The district provides new bus drivers CDL training. It was suggested that the District include registration for Free & Reduced Lunch with registration for Bus Transportation in order to address low Free & Reduced lunch sign-up. Government subsidized lunch for all will end when the CARES Act expires next year (breakfast will continue to subsidized). A barcode will be created for the Student ID that displays allergies when scanned if parents disclose that information to the school. A list of preapproved Risk Management vendors was proposed allowing schools easier access to preapproved vendors.
