

# 3rd Grade November/December Newsletter

This month in Reading we will be learning about Central Idea and Text Structures while learning about why people participate in government. For Math, we are continuing to work with multiplication and division. We are starting to apply those skills with area and perimeter. So, keep practicing those multiplication facts! In Science, we are wrapping up Photosynthesis and are going to start learning about Seasonal Adaptation. In Social Studies, we will be learning about the Caribbean Heritage and regions in the United States.

Please check the agenda daily and ensure your child completes their homework.
