**AUGUST 2022  
VOLUME I**

## FROM THE DESK OF PRINCIPAL, MS. MORGAN

Greetings CIE Families!

Welcome to the 22-23 school year. The CIE staff is preparing for another successful year. Let's begin by congratulating our school community on their learning gains during the 21-22 school year. Our staff and students were relentless and made huge learning strides earning the recognition of being an "A" school. As the Principal I attribute this success to the collaboration and commitment of all stakeholders.

Our goals during the 22-23 school year will continue to close any gaps our students may have and to differentiate instruction to meet all students' individual goals and progress. The staff is committed to our students and their learning.

During the first weeks of school, we will commit to instill positive character traits and behavior in all areas on campus. Kindness and social/emotional learning will be part of all lessons and we will celebrate diversity and create an environment where all students feel safe and secure.

We are looking forward to meeting our families at Meet and Greet and look forward to more time at our Open House. Open House for grades K-2 is on August 24th. Grades 3-5 will hold their Open House on August 31st. Before the Open House, the Administration will hold an informative meeting in the cafeteria at 6:00. At 6:30 the teachers will begin their presentations in their classrooms. We look forward to seeing you there.

Safety on campus continues to be a priority. All students must wear an ID badge when on campus. They should also follow the CIE Uniform policy unless they were granted a uniform waiver. Students will be given badges the first day of school and another after pictures are taken in September.

We are excited to welcome volunteers and to return back to many PTA sponsored activities throughout the school year. All volunteers will need to register at [www.browardschools.com/getinvolved](http://www.browardschools.com/getinvolved) in order to be able to access the campus. While on campus all visitors and volunteers must check in at the front office and show their ID. Parents must wear a badge at ALL times when on CIE campus.

During the 22/23 school year our staff will engage and collaborate with all stakeholders in order to make a difference in our students. Together as a community we will be the Difference Makers and provide an environment where students feel safe and can learn. We are looking forward to an amazing year!

*Ms. Morgan*

## Guidance Corner

Welcome to the 2022-2023 school year!

Country Isles is lucky to have two school counselors available to students. Ms. Vanderbilt will service students in grades K-2 and Ms. Grant will service students in grades 3-5. Counseling services include whole group, counseling, small group counseling, and brief solution-focused counseling. Students, staff, and parents are all able to refer a student for counseling services.

We are looking forward to another outstanding year.

Ms. Grant & Ms. Vanderbilt

Hello Country Isles families,

My name is Elizabeth Yanik and I am the Exceptional Student Education (ESE) Specialist. I have been working at Country Isles for nearly 20 years providing speech and language services before moving into this position. It is a pleasure working with the ESE team as well as administration and staff to ensure the necessary services and supports are implemented for students to succeed.
