 - b. Fall Bingo Night Thursday 10/5. PTO Meeting last week. Harvest Drive starting Monday 10/9 through end of month.
 - c. We do have a lot of students who have missed a lot of school even though the absences may be excused. The older they get, the more they are missing the curriculum and the younger they are, they are missing foundational stuff. More glaring when you see the data. 7-15 kids were chronic absenteeism unexcused last year
