

SAF Agenda

Monday, February 26, 2024

2:30 p.m. STEM Room

- I. Welcome
- II. County Leadership report
 - a. The County is committed to making sure students are ready for testing.
 - b. They are looking at piloting 4 plus 1 days. School would be in session 4 days a week and the fifth day would be optional and used for remediation.
 - c. There was a discussion about making sure bullying is taken more seriously. They talked about looking at the unsubstantiated data and seeing what could be done to help those behaviors.
 - d. There was talk about rebranding the names of SAC and SAF to hopefully get more participation.
- III. Expansion of BRACE
 - a. They are looking at offering BRACE as early as 6th grade.
 - b. Cello will be starting in elementary. It's currently optional, but won't be soon. It helps with college and career readiness.
- IV. SAF Chair Elections
- V. Legislation
 - a. There is a bill to remove third grade as a mandatory retention.
 - b. Bill for universal lunch for all.
 - c. Bill to allow health care for student athletes.
 - d. Bill for municipalities to take over abandoned schools and use them for charter schools.
- VI. Medical issues on campuses
