

BE THE CHANGE

MILLENNIUM 6-12 COLLEGIATE ACADEMY

Working Together to Prepare Students for College and Career Success

August 2020

Dear Parents, Students, and Community Members,

Welcome to the new school year! I am excited about working with you. Although we are starting the school year with e-learning, our expectations of providing high-quality instruction to all students remain the same.

Millennium's mission continues to be to provide a stimulating learning environment where each student's diversified needs are challenged. However, we can only accomplish this through teamwork and collaboration and an aim to pursue excellence in everything we do for our students. Our students, faculty, administration, staff, parents, and community members comprise the Millennium family, and we will work together to meet our school goals.

Our theme for the 2020-2021 school year is "**Be The Change.**" This year's theme derives from the quote by Mahatma Gandhi, "Be the change that you wish to see in the world." We strive to have our students and staff be change agents by improving our school, community, and world. We can do that because we are STARS!!!

I look forward to seeing you at our first virtual School Advisory Council Meeting on Tuesday, September 15, 2020, at 6:00 pm through Microsoft Teams. If interested, you may log in at 5:30 pm for a Principal Chat where you can ask me questions or give me feedback about the school.

With Millennium Star Pride,

Francine Baugh

Francine Baugh, Principal

BE THE CHANGE

"Be the change that you wish to see in the world." Mahatma Gandhi
