

3rd Quarter TIP

Social Studies:

8th Grade

TOPIC

**A 5 Day Dream Vacation to historical sites of the
Ancient World**

The 5 Themes of Geography

Topics will be selected by the students and

require Social Studies teacher approval.

Language Arts:

Research and Travel Brochure

- ✦ Students need to locate at least 5 research sources about their topic. They **MUST** utilize at least 3 of these resources to complete the research for their brochure.
- ✦ They should include a variety of resources, including 1 website and 1 reference book. (NO WIKIPEDIA!!!)
- ✦ They need to write their research notes onto **30 Informational index cards.**
- ✦ The students then create an **original travel brochure** related to the dream vacation sites based on the research note cards. The brochure must describe the significance of the historical sites and include visuals. 20 points

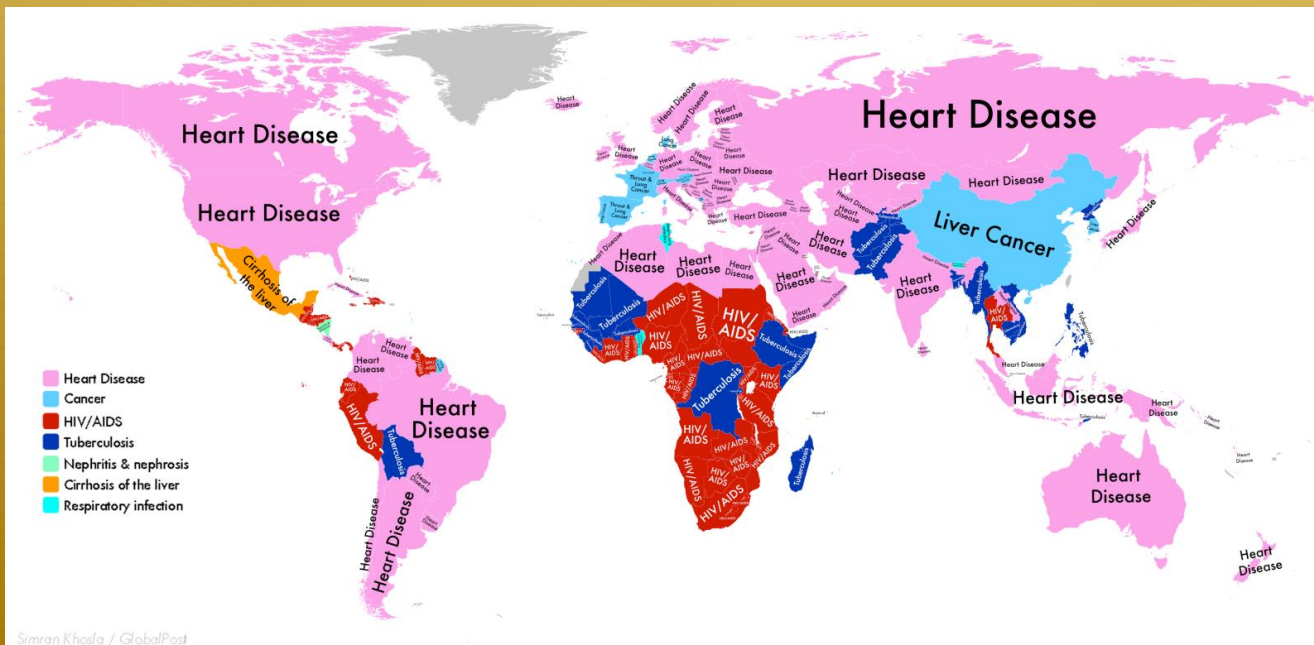

Reading/Speech/ Journalism/Debate:

Speech & Oral Presentation

- ✦ Select 3 major sites that a tourist should visit when going on their dream vacation.
- ✦ **Write a 5 minute speech** and **orally present the speech**
- ✦ The written speech must include a **Title Page** with the student ID number, team, group, and grade
- ✦ The body of the written speech must be typed, 12 font, double-spaced with one inch margins
- ✦ The speech and oral presentation must be well organized and free of grammar, spelling and punctuation errors
- ✦ Historically accurate and relevant to topic
- ✦ **Bibliography** MLA Format

Science: Diseases of the Modern World

- ✦ Research 3 diseases that impact the country being researched.
- ✦ Define disease-related vocabulary.
- ✦ Science teachers will provide students with a **graphic organizer** to assist with the research.

- ✦ Students will complete as an attachment to the research report.

10 points

Science: Diseases of the Modern World

TIP #3 8th Grade Science Component

VOCABULARY STRATEGY

Directions: Complete the chart below.

WORD	What is it?	Use the word in a Sentence
1. Symptom		
2. Treatment		
3. Prognosis		
4. Bacteria		
5. Virus		
6. Protozoa		

TIP #3 8th Grade Science Component

WORD	What is it?	Use the word in a Sentence
7. Fungi		
8. Epidemic		
9. Pathogen		
10. Antigen		
11. Antibody		

Science: Diseases of the Modern World

TIP #3

8th Grade Science Component

Student's Name: _____ Team/Group: _____

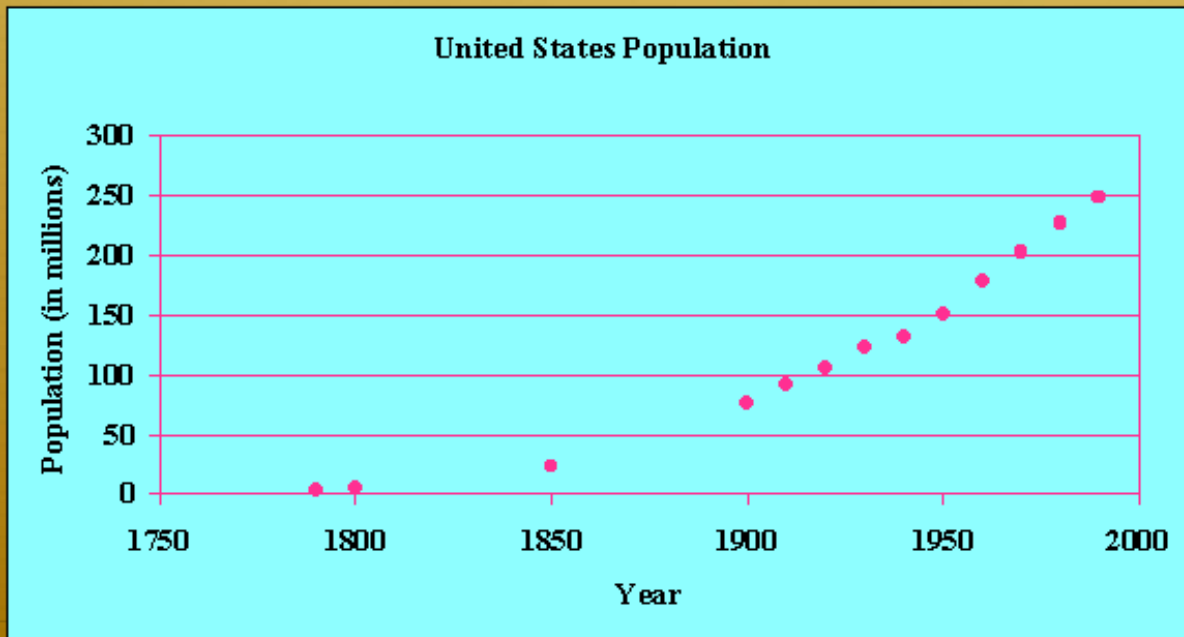

Directions: Throughout history, population numbers have changed dramatically due to the outbreak of disease. Research 3 diseases that impacted the population in the region you are researching. Research each disease and complete the chart below.

Name of the Disease	Cause of the Disease	Symptoms of the Disease	Treatment of the Disease	Methods of Prevention
<i>Common name:</i> EX: Cold AND <i>Scientific name:</i> EX: <u>Rhinovirus</u>	Virus, bacteria, parasite, mold, high blood pressure EX: A cold is caused by a virus.	EX: The symptoms of a cold are runny nose, coughing, headache and fever.	Must have the chemical name. EX: Tylenol = Acetaminophen.	EX: Rest, good hand washing, hand sanitizer...

Math: Scatter Plot –

Population comparison and predictions

- ✦ Compare the population growth of the USA and the country that you have selected over the last decade and create a **scatterplot** to display the information.
- ✦ Then use a **line of best fit** to predict the population growth of both countries. Write an equation that represents the line of best fit.

- ✦ **Students will complete as an attachment to the research report.**

10 points

Social Studies: Display

Tri-Fold Display Board, Website or Travel Magazine

criteria:

- ✦ Subject matter relates to topic
- ✦ Creativity/Appearance
- ✦ Well-constructed

The display should provide any vacationer with pertinent details about the historic sites and the country. The students will need to present an analysis of research and visual representations reflecting the examples of the unique characteristics and related facts about the country's geography, culture and history in terms of the Five Themes of Geography.

All projects should be labeled with the students name and the name of the model topic.

40 points

Project Due

Date:

- ✦ **DUE DATE:**
February 25th, 2019
- ✦ ***NO LATE PROJECTS WILL BE ACCEPTED!**
- ✦ **Projects count as 15% of the student's overall grade in all 5 of their classes!**
