

Principal's Message

Welcome to the **2023-2024** school year! I am thrilled to welcome you back to another exciting school year at James S. Hunt Elementary. I am proud of the student's accomplishments as well as the teachers and parents powerful push to prioritize education. I assure you that this trend for academic excellence will continue throughout the year.

Through our individual and collective efforts, we will continue the excellent reputation James S. Hunt Elementary has achieved.

The entire staff at James S. Hunt Elementary is dedicated and committed to the belief that *EVERY CHILD CAN LEARN...high achievement for all students...no excuses!* We are a team and "Teamwork makes the Dream Work".

The parents of James S. Hunt Elementary are an integral part of the school. I encourage you to participate in helping make your child's school experience rich and meaningful. Please join PTO as they do so much for the students. The School Advisory Forum (SAF) and the School Advisory Council (SAC) make important decisions concerning academics as well as the safety and welfare of the school. Volunteering at the school is always welcome.

I hope that this handbook will provide helpful guidelines to assist you and your child in having a successful year. The school website, flyers, emails and Parent Link will keep you informed about important events, activities, and updates throughout the year.

Sincerely,

Rendolyn W. Amaker
Proud Principal

*James S. Hunt Elementary School
Mission Statement*

The mission of James S. Hunt Elementary and its stakeholders is to provide the highest quality education for every child in a positive, safe, and nurturing environment where diversity is celebrated.

*James S. Hunt Elementary
School Beliefs*

- Student learning is the chief priority for the school.
- All students can learn.
- Students learn in different ways and should be provided with a variety of instructional approaches to support their learning.
- Each student is a valued individual with unique physical, social, cultural, emotional and intellectual needs.
- Teachers, administrators, parents, and the community share the responsibility for advancing the school's mission.

AGENDA BOOKS

James S. Hunt Elementary School is happy to provide each student with one Agenda Book at the beginning of the school year. In the event that the Agenda Book is lost, the parent is responsible for replacing it. You may purchase an extra agenda book through PTO. You may purchase a generic version of the same agenda book or you may purchase a similar type of agenda or planner at your local office supply store.

ARRIVAL

The school hours will be 8:00 AM to 2:00 PM for all grades. The first bell rings at 7:50 AM and the tardy bell rings at 8:00 AM. Breakfast is available from 7:10 AM and there is supervision in the cafeteria for breakfast students only. The building will not be open before 7:15 AM. For security reasons, they should not be on campus prior to 7:30 AM unless having breakfast in the cafeteria. Supervision for all students begins at 7:30 AM. The time from 7:30 to 8:00 AM is teacher planning time.

Don't be late, be here by 8:00 !! School begins PROMPTLY at 8:00 AM. It is important that children arrive on time. The first few minutes of school set the stage for the entire day. Children who arrive late miss out on important information and directions. A child who is ten (10) minutes late consistently throughout the year will miss over two (2) MONTHS of instructional time for the year. So, PLEASE help us by getting your children to school on time. Their day will be more productive and beneficial with a prompt start. **Please refer to sections on Attendance and Tardy Policy for more information.**

Parent Drop Off/Pick Up

Safety of all of our students is very important. We ask that parents carefully adhere to the following guidelines when dropping off or picking up students.

- Parents may drop off or pick up students ONLY in designated area at the front of the school. The back lot is reserved for bus transportation and staff parking. Because of safety issues, it is a violation to drop off students in the designated bus area. It is also a safety hazard to drop off students on the streets near the school.
- When dropping off or picking up students, please form one lane nearest to the curb.
- Pull all the way forward to the end of the drop off area before stopping. This allows parents to use the full length of the drop off area.
- Make sure that your students are ready to leave the vehicle as soon as you stop to avoid holding up the line.
- Drop off students on the curb side only, not in the parking lot.
- Do not park or leave vehicle unattended in the drop off lanes.
- Please avoid using cell phones while driving in the drop off area.
- Parents who use the parking lot must walk their students across the crosswalk to the school entrance.
- **Parents who bring their students to school after 8:00 am MUST park in the assigned parking area, escort their children into the front office, and sign them into school.**

Building Entry Procedures

- For the first day of school only, parents of KG students may escort students to the classrooms.
- After the first day of school, any parent who needs to enter the building **must first report to the office, show a picture identification, be signed in, and receive security clearance from the office.** This includes parents attending conferences with teachers, volunteering, or field trip chaperones.
- Promptly at 8:15, the front entrance gate will be locked. If an attendant is not at the gate, please call (754)322-6500 to be admitted.

ATTENDANCE

Florida State law requires regularity of attendance. When a child is absent from school or tardy for any reason, the absence or tardiness is to be verified with a note to the teacher from the parent or guardian the day the child returns. You may inform the school by calling the **ABSENTEE LINE** at (754) 322-6502.

School Board Policy 5.5, A. specifies the reasons for which students may be excused. These are: illness of a student or immediate family member, death in the family, religious holidays of the student's own faith, required court appearance or subpoena by a law enforcement agency, specific special events for which permission must be obtained from the principal or designee at least five days before the absence.

If the absence is due to an illness, the note should state the nature of the illness. Per Broward County School Board policy, a student must be in attendance at least **25** school days each grading period in order to receive a report card. As part of the Broward Truancy Intervention Program, parents will be notified of patterns of non-attendance. Please see full details of Attendance Policy at <http://www.broward.k12.fl.us/sbbcpolicies/>.

AUTHORITY OF SCHOOL OFFICIALS

Florida Statutes delegate specific authority and responsibility to school officials concerning the control and discipline of students. School Principals have the authority to suspend students from school and/or from riding a school bus and to recommend expulsion for those students who violate the Code of Student Conduct. All students are subject to this code during the time they are being transported to and from school or on a school-sponsored activity, during the time they are attending school and during the time they are on school premises.

BAKED GOODS

Home-baked goods or home-cooked dishes meant for sharing with the other students in the classroom may **NOT** be brought into the school for consumption by students due to State of Florida Health regulations. Baked goods/dishes commercially prepared may be brought for classroom activities (with teacher permission), etc.

BIRTHDAY CELEBRATIONS

KG – 1st grade students **ONLY** may have birthday celebrations with the teacher's pre-approval. These activities may be in the classroom after 1:30 PM (only if the teacher approves it) for the most part, birthday goodies are given out in the cafeteria during student lunchtime.

Grades 2 – 5 may also have birthday celebrations but ONLY during student lunchtime in the cafeteria. The following guidelines must be followed for birthday celebrations:

- **No drinks, candy, balloons, party favors, or loot bags.**
- **STORE** bought cookies or cupcakes **ONLY** may be given out (please check with teacher for any students with allergies).
- Parents will need to have Volunteer clearance to assist with distribution. (see Volunteering section).
- Balloons may not be delivered to students during school hours, since they interrupt valuable academic time and causes distraction.

*****Home baked goods are not permitted as mandated by the State Board of Health.**

CAFETERIA

Lunch is \$2.00 each day. Milk is \$.50 for those who bring lunch. Ice cream will be available for \$.65 on Thursdays. We encourage students to purchase lunches on a weekly or monthly basis and pre-pay on Monday morning in the cafeteria before going to class. **Parents can come in to make breakfast/lunch payments only between 7:30 and 8:30 AM and parents are able to make payments online. –Information will be forthcoming.** Children may only have ONE outstanding charge in the cafeteria. Charges must be cleared before a second charge can be allowed. Students will be served breakfast from 7:15 until 7:45 AM for car riders, bike riders and walkers. The charge is \$1.20 including milk. Provisions will be made for late bus arrivals; however, students coming by bus **MUST** go directly to the cafeteria.

Free and reduced lunch applications are to be completed on-line for all students before the first day. Reduced price is \$.40 for lunch and \$.30 for breakfast. Applications must be completed and approved in order to participate in the free or reduced lunch program. Please call the office for assistance.

In order to maintain a pleasant and relaxed atmosphere during lunch, we ask that you assist us by encouraging your child to use good manners and quiet voices when they are in the cafeteria.

It is very important that you adhere to the following requests:

- NO candy is to be brought to school.
- NO soft drinks are to be brought for lunch.
- NO glass containers are to be used in lunchboxes.
- **We discourage bringing fast food (McDonalds, Burger King, etc.) into school for your child. Students will not be permitted to eat this type of food in the cafeteria.**

Positive and appropriate programs to encourage good behavior in the cafeteria will be ongoing throughout the year. Breakfast and lunch menus go home at the beginning of each month.

CLINIC PROCEDURES

Your child's safety and health are of the utmost importance to us. If your child has a minor cut or bruise, the school nurse or office personnel will take care of it. If your child becomes too ill to remain in school, parents will be phoned so arrangements can be made for the student to be picked up. We are not able to care for students for long periods of time in our clinic. Therefore it is very important that we have updated names and phone numbers for emergency contacts. This information is kept in the clinic and should be updated yearly, or whenever a change occurs.

JAMES S. HUNT WEBSITE

Our website www.browardschools.com/huntelem is maintained and updated frequently. It contains information about upcoming events, news from each grade level, news from our PTO and important reminders.

CONFERENCES

We believe parent-teacher conferences are essential and this is one phase of our reporting to you. It also helps us to know your child. Your child's teacher will be calling you for at least two (2) conferences this year. If you cannot attend at that time, please notify the teacher immediately, so that a new date may be arranged. If your child shows signs of failure in any subject, please contact the teacher so that you and your child's teacher can make plans for improvement. If you feel the need for a conference other than at the scheduled time, please call the office to make an appointment. Conferences cannot be

held at times while students are in class, therefore, you should pre-arrange conference time either by note or by telephone. Conferences may be scheduled from 2:15 to 3:00 PM, every school day with the exception of Tuesdays and Wednesdays, or before school from 7:30 to 7:50 AM.

All parent entering the building for conferences must first check in to the main office for security purposes. Please bring your driver's license for identification and you will receive the conference pass . State laws require strict control of all persons entering the school building.

DISCIPLINE

A copy of **School Board of Broward County Student Code of Conduct** is available online. Please review this information, which outlines the behavior expectations of ALL Broward County students. Please sign and return the "**acknowledgement form**" that will go home and return it to the teacher. Teachers **MUST** have this signed form on file for each student. Throughout the year, we will ask you to work with us to help our children follow our school-wide discipline plan. Further information will be sent home with your child. Please review it carefully. Any questions should be directed to your child's teacher.

DISMISSAL PROCEDURES

It is very important that we make the getting to and leaving from school as safe as possible. Please be patient and willing to make school arrival/dismissal safe for everyone. You are the most significant role model that your child has. If you are picking up a car rider, please stay in your car in the car line and move along. This will help expedite the dismissal procedure. Walkers meet their siblings to walk home together. (See **TRAFFIC** for more specific information)

- **There is no early dismissal after 1:30 pm.**
- Parents or guardians signing out students early from school must go to the main office with a picture ID. Students will only be released to individuals whose name is listed on the student's dismissal card after identity has been verified by school personnel.
- If a student is to be released to an adult not listed on the dismissal card, written permission **MUST** be given by the parent or guardian and approved by the principal or designee. In these situations, for the safety of our students, **TELEPHONE REQUESTS CANNOT BE ACCEPTED.**
- Students who ride the bus cannot be dismissed from the bus area or from the bus. They can be picked up at their assigned bus stop.

Emergency Dismissal

We ask that you give your children directions about where they are to report, should we be forced to have an unexpected dismissal because of a hurricane, tornado, or to meet a specific county emergency. Be sure you fill out the **Student Emergency Contact Card** you got in the first day packet for each child enrolled in James S. Hunt Elementary School. It is the parent's responsibility to be sure that we have the most current information. You will be asked to provide a "**Password**" for identification purposes.

Two different phone numbers must be listed on the emergency form and update immediately when there is a job change or any other vital information changes.

Rainy Day Dismissal

A "Rainy day dismissal" is NOT considered an emergency dismissal. Walkers and bike riders will be held in the classrooms until weather conditions permit a normal dismissal. With so many students enrolled in our school, it is impossible to allow children the use of the school phone to call for directions on rainy days. Throughout the year, please remind your child about what to do if it is raining at dismissal time.

*For safety reasons, umbrellas will not be permitted. Please send your child with rainwear, in the event of heavy rains.

Early Dismissal

Early dismissal should be avoided. We ask that parents make doctor and dentist appointments after school hours when possible. Your children will miss GOLDEN SCHOOL HOURS that cannot be made up the next day. **Students will not be released between 1:30 and 2:00 PM.** Homework and final instructions for the day are being given during this time. **Also, new school attendance policies now consider early student sign-out as part of non-attendance.** Please refer to sections on Attendance and Truancy for more information.

Please report to the office when picking your child up early. Do not call before arriving to school. We will call for them and dismiss them from the office in our presence. **PLEASE DO NOT ATTEMPT TO GO TO THE CLASSROOMS!!** This is for your child's safety.

Students will be released to only those listed on the Registration or Student Emergency Contact Card. In the event of an emergency regarding the change of dismissal procedures for your child, please notify the office, and be prepared to answer questions and provide your password in order to verify your identity. If possible you may also fax a photo ID. **If your child is to be released to another adult, written permission MUST be given by the parent and approved by the principal or designee. YOU MUST SHOW ID WHEN PICKING UP A STUDENT. ALL students MUST be signed out through the school office.** These procedures are

designed to protect our students. Your cooperation and understanding is appreciated.

As part of the school's calendar, students will be released early, for professional development for teachers, at 12:00 PM. Please make sure to complete the Early Release Instructions form in the back of this booklet.

Teachers must be notified in writing if a student will be taking transportation home that deviates from the normal routine. If the written notification is not received, the student will be sent home in the usual way.

FIELD TRIPS

Field trips may be planned as extensions of class activities throughout the year. Field trip authorization forms giving permission for your child to participate and releasing the teachers and school from liability will be sent home to be signed and returned. Students who fail to return the form signed will not be able to participate.

All money for field trips must be received on or before the due date on the permission slip. Money cannot be accepted on the day of the field trip. (some field trip payments will be available on-line, information will be sent to the parents regarding those specific trips)

While we feel every child should have an opportunity to participate in these activities, we also must be committed to ensuring the safety of all students. The Student Code of Conduct Book outlines behavioral expectations of students. We encourage you to review this code book carefully with your children. **School administration may deny participation on a field trip to any child who exhibits unacceptable behavior.** Also, only parents who have been officially approved as field trip chaperones and have been issued the appropriate security clearance should attend school sponsored trips. Please see the section on Volunteers for more information.

GENERAL SCHOOL BEHAVIOR

Our teachers have been trained in a variety of discipline programs. We use the best and most successful ideas from each of these to provide an atmosphere where all children can learn. Our General School Guidelines are:

The James S. Hunt OWLS say:

Open your mind to learning
Winners never Quit
Learning starts at home
Strive to always do your BEST

Be a good owl at James S. Hunt and always follow the school guidelines!

GUIDANCE

To discuss study habits, grades, test scores or even family problems, please contact our Guidance Counselor. In addition, the Guidance Counselor can assist students having difficulty with Social Emotional Learning concerns.

In addition, classroom activities will be used in all grade levels dealing with self-awareness, decision-making, and substance awareness.

HEALTH

The Florida Statute requires the Broward County Schools to conduct health screenings. These screenings are done at different grade levels in the school year. Parent permission is not required for these screenings.

- VISION:**
1. Students entering Broward County School District for the first time.
 2. Students in kindergarten, 1st, and 5th grades.
 3. Students considered for Exceptional Student Education placement.

- HEARING:**
1. Students entering Broward County School District for the first time.
 2. Students in kindergarten, 1st, and 5th grades.
 3. Students considered for Exceptional Student Education placement.

- HEIGHT & WEIGHT**
1. Students in kindergarten, 1st and 5th grades.

These screenings can be completed anytime during the school year. Also, please note that students are not to be enrolled without their immunizations or a physical examination for those entering a Florida school for the first time. We do not have a grace period.

*** Children entering, attending, or transferring to kindergarten in a Florida school is required to have the varicella vaccine or a document history of varicella disease (chicken pox).**

Should you need additional information, please contact Health Education Services at(754) 321-2270.

Head Lice

Due to the hot and humid climate of South Florida, students sometimes have head lice. In an effort to combat the spread of this problem, head checks will be conducted throughout the school year. The office will notify you if your child is infected.

Any child having head lice may **not** be admitted to school. In order to be re-admitted, clearance must be received from the school office.

School staff will do a follow-up examination on students who had head lice two weeks after their treatment. PLEASE BE AWARE THAT USE OF THE PRESCRIBED TREATMENT DOES NOT RID YOUR CHILD OF NITS. EACH NIT MUST BE PULLED OFF THE HAIR. DO NOT WAIT FOR THE SCHOOL TO DETECT HEAD LICE--CHECK YOUR CHILD AT LEAST ONCE A WEEK.

Illness

Children who are ill should not remain in school for their own health and to prevent contamination of the other boys and girls. If a student is unable to return to class parents will be notified. No child may be in school with an uncovered, open or running sore. Ill students sent to the office will remain only long enough for you to be contacted.

Medication

Broward County School Board Policy 6305 expressly forbids the dispensing of medicines to students by employees of the school system without specific authorization by the Health Director of the Broward County Health Department. The Broward County Health Department recommends that parents inform their doctors of their child's school hours in order that adjustments of time and dosage are made to avoid conflict with school policy.

Medication, including aspirin and Tylenol, cannot be administered by the school unless a medical authorization form has been completed by you and your physician and is on file in the school office. New documentation must be completed each year for students on medication. **Authorization for Medication** form is in the back of this booklet. Prescription medication bottles must be labeled with your child's name, dosage to be given, and when medication is to be administered. These rules are mandated by Florida law and must be adhered to at all times. Parents, not students, must bring medication to the school office where it will be checked in by the office staff.

ALSO, PLEASE BE REMINDED THAT COUGH DROPS, ASPIRIN, EYE, EAR, OR NOSE DROPS, ALLERGY PILLS, ETC., ALL COME UNDER THE RESTRICTIONS DEALING WITH THE ADMINISTERING AND DISPENSING OF MEDICINE IN SCHOOL, AND, IN FACT, CANNOT BE BROUGHT TO SCHOOL BY THE CHILDREN.

HOMework

Homework reinforces skills taught in the classroom and helps your child do better at school. Please be sure that your child completes his daily assignments. Contact your child's teacher if you have any questions. Good study habits lead to successful school experiences. Every student will receive an agenda book containing homework assignments, school activities and reminders for your information. Homework that is brought into the office after 8:00 AM will be placed in the teacher's mailbox and the

teacher will be notified via e-mail. **Homework assignments may not be faxed to school by parents or relatives.**

INSURANCE

Accident insurance applications will be sent home with all students the first week of school. The decision to purchase or not purchase school insurance is an individual family decision. **Applications should be mailed DIRECTLY to the Insurance carrier.**

INTERIM REPORTS

No later than midway between marking periods, an interim report shall be sent home to inform parents of student progress. Such reports are distributed to students who are experiencing difficulty in academics and/or behavior. Follow up conversations are encouraged if clarifications are needed or questions arise.

LOST AND FOUND

The Lost and Found is located in the cafeteria. In order to lessen the chance of losing personal items, students are strongly encouraged to write their names on lunch boxes, jackets, sweaters and rain gear. **Please insist that your child retrieves left items from lost and found as soon as possible. It is impossible to provide storage for the large number of unclaimed items that students leave, therefore unclaimed items are periodically donated to charity organizations.**

MEDIA

Students are encouraged to have responsible behavior in keeping track of their library books. Payment is expected for the damaged or lost books. Students who have an overdue, lost or damaged book will not be allowed to check out another book until the book is returned or paid for. Parents may borrow books checked out for one week. Audio and videotapes are available as are educational resource materials.

The media center welcomes all parents and other interested volunteers willing to work in the media center. Please see section on volunteers for further information.

PARENT TEACHER Organization (P.T.O)

The James S. Hunt Elementary School PTO actively supports the school's instructional program, as well as, enhancing community school relations. All parents are encouraged to join and actively support this important organization. Parents will be notified of all PTO/Advisory meetings planned during the school year. The Membership Drive is conducted each September; however, your family may join at any time during the school year. Our PTO coordinates our book fairs, room parent assignments, various fundraisers, family fun night and much, much more.

REPORT CARDS

Pupil progress reports inform parents of the child's social, emotional and academic progress. Every child in grades kindergarten through fifth will receive a report card at the close of each nine week grading period. In order to receive a report card, the student must have been in a Broward County School for 25 days within the grading period. Please review the card with your child, sign the envelope and return it promptly to school. If there are any questions, parents should contact the teacher. Keep the report card for your records. Report cards will be issued on the following dates: **November 13, January 22, April 15, and June 5.**

COMMUNICATION BETWEEN HOME AND SCHOOL IS AN IMPORTANT FACTOR IN SCHOOL SUCCESS.

SAFETY

Items not required for school must be left at home. These items include, but are not limited to: electronic games or toys, laser pens, pets, skate boards, trading cards. In addition, any item that may cause an injury is not permitted.

We encourage children to wear clothing that is appropriate, practical, and comfortable; the buildings are air-conditioned. Students should bring a sweater to keep in the classroom. Closed shoes or sneakers, are recommended. Zories, clogs, backless shoes, tank tops, short tops, and short shorts are prohibited. (See Discipline Code Book on line.) **Students may not return to classroom after 2:00 PM to retrieve forgotten items.**

SCHOOL ADVISORY COUNCIL (SAC)

The School Advisory Council (SAC) at James S. Hunt Elementary is comprised of elected stakeholders representing the school, parents, and community. They meet on a regular basis to discuss important issues and policies. Parents are welcome to attend the meetings as visitors.

Each year the School Advisory Council analyzes the progress made by the students and develops long-range goals for the coming year(s) in order to ensure academic success for all.

SCHOOL ADVISORY FORUM (SAF)

This advisory parent group meets regularly to discuss school issues, which need to be addressed. Reminders about meetings will be sent home via the school newsletter.

SCHOOL INVOLVEMENT

Parents can enjoy a good relationship with the faculty and administration by participating in our various volunteer groups. Our PTA, SAC and SAF groups meet regularly and all interested persons are welcome. Reminder notices about meetings will be posted on our website.

- Follow all school, class, and cafeteria rules.

STUDENT SERVICES/EXCEPTIONAL STUDENT EDUCATION

Student Services play an integral role in the James S. Hunt Elementary program. The Guidance Counselor, Curriculum Specialists, Exceptional Student Specialist, School Social Worker, School Psychologist, and the Public Health Nurse work together to maximize the opportunities available to our students.

Exceptional student education programs are provided for children who are eligible according to county and state guidelines. These programs include but are not limited to varying exceptionalities, highly gifted/gifted, speech and language hearing impaired, visually impaired, and physically impaired. Occupational therapy and physical therapy services are also provided. Students participating in these programs have met specific criteria and requirements and an Individualized Educational Plan, which documents their needs and services to be provided. Any questions regarding ESE programs should be directed to our ESE Specialist.

SUPPORT STAFF

Our support staff members are available to assist you with educational concerns. They are:

Mrs. S. Smith- Literacy Coach
Ms. B. Stano- Math Curriculum Spacialist
Mrs. T. Roberts - Guidance Counselor
Mrs. Frias - ESE Specialist
Ms. M. Louisis – ELL Specialist

Please do not hesitate to contact them with your questions or concerns.

TARDY POLICY

1. Breakfast begins at **7:15 am**.
2. Students line up at their respective areas by **7:45 am**.
3. Students enter their classrooms at **7:50 am**.
4. The **tardy bell rings at 8:00 am**. Any student arriving in class after **8:00 am** will be marked **tardy** by their classroom teacher (School Board Policy 5.5 C.1).

Procedures When Arriving After 8:00 am

1. If you arrive after 8:00 am, you must escort your child to the office since **there will be no drop off supervision after 8:00 am**.
2. Parents are required to follow the same process to excuse a tardy as they do to excuse and absence.
3. **A student who is tardy for 5 times or more within a marking period is considered habitually tardy** (School Board Policy 5.5, C.6) and parents will receive a notice or call from the school.
4. If the pattern of tardiness continues, a phone call will be made to your home by the school **Social Worker**.
5. If the tardiness is not resolved, a **formal referral** will be made to the **Social Worker** who may request to **visit the home** and assist parents in addressing the issues causing the tardiness.

TELEPHONES

Student use of office phones is limited to emergencies. Children are expected to be prepared with lunch money, homework, materials, or plans for special after school activities. Student who carry cell phones must keep them **off** during school hours. Consequences for inappropriate cell phone use range from confiscating the cell phone until a parent conference is held on the first violation to external suspension and

prohibition from bringing a cell phone for the remainder of the school year for repeated violations.

TESTING PROGRAM

Formal and informal testing is done each year in an effort to assess needs and to obtain information regarding academic strengths and needs of each child. These results are used, along with other information, to strengthen, revise, or modify our instructional program. If you have any questions regarding testing, please contact our Guidance Counselor and/or ESE Specialist.

TEXTBOOKS / MATERIALS / BOOKS

The State of Florida furnishes all basic textbooks for loan by the students. Students are responsible for all textbooks, library books and materials issued to them during the school year. Books not returned to the school and those damaged must be paid for by the student. If lost books or materials are found, money paid will be refunded.

TRAFFIC

Because our enrollment is well over 600 students it is impossible to have every parent park their car and walk their child to the front entrance. This would create major safety hazards. Please follow the procedures listed below to ensure a **SAFE** arrival and dismissal. This creates a sense of order and consistency for your child. You can rest assured that we will take good care of your child and make sure he or she gets to class safely.

Car Riders

The **SOUTH** side of the school **ONLY** has been designated for parent drop off/pick up of students. Cars should maintain a single file, stay close to the curb, and not pass another car unless directed to do so. Please pull all the way forward before stopping to drop off your child. This will help with any traffic back-ups. Drivers in pick up areas must remain with their cars and follow the flow of traffic. Cars may not stop and wait for a child or be left unattended. Students will not be allowed to leave the pick-up area and walk to a parked car unless accompanied by an adult. If there is a need to enter the building, a suitable parking space should be found so that the flow of traffic is not interrupted. Please remember outdoor supervision ends at 2:15 p.m. Remember, cell phone use is prohibited in the car pool lane. Most of all please be patient as we share the same goal of having every child remain safe.

Please arrive prior to these times if you have conferences, school business, or wish to walk your child to class. When you pick up, please **remain** in your car and have a sheet of paper on the dashboard with the student's last name grade and teacher visible.

Bus Riders

Bus transportation is provided for students residing beyond two miles from school or at a location where hazardous conditions exist. In order to help insure the safety of all

passengers, each bus rider is expected to cooperate and follow bus safety rules. Failure to do so may result in loss of bus riding privileges. The bus driver has the right to assign students to certain seats when necessary to maintain appropriate conduct on the bus. Please notify the teacher with a written note if there is to be a change in the transporting of your child. If no notification is received your child will follow his or her regular method of getting home.

If your child is a bus rider, make sure he/she is at the appropriate bus stop. Also, be patient with bus transportation the first few days. The children on the buses will be dropped off at the **Bus Loading Zone on the North side** of the school and directed to their classes. Students may ride **ONLY** the bus to which they are assigned and should not ask permission to ride another bus.

Walkers and Bike Riders

Students need to be aware of their surroundings and, whenever possible, travel in pairs or groups. Instruct your child to cross all streets with the school crossing guards. For safety, children walking to school should use the sidewalks provided and cross only at the crosswalks with the crossing guard. Upon dismissal, students should go directly home and not linger on the school campus.

Students are to be respectful of other people and property as they travel to and from school.

Also, please talk with your child frequently and positively about school safety and stranger danger. If your child will be walking or riding a bike to school, walk or ride with him/her often along the safest route. If your child will ride the bus, show him where he/she will get on and off, and talk to him/her about safe behavior on the bus.

Children are permitted to ride their bicycles to school if good riding habits are observed. Students are legally required to wear helmets and parents can be ticketed by local police if students are found not wearing helmets. The right to deny riding privilege is also retained by the school. The school is not responsible for loss or damage. Students are encouraged to lock bikes left in bike areas.

TRUANCY

The Broward County Public School and the State Attorney's Office have initiated the Broward Truancy Intervention Program (BTIP) and James S. Hunt Elementary has been selected to participate in this program. The intent of the program is to prevent truancy (non-attendance at school). **A pattern of non-attendance is established when an accumulation of nonattendance, excused or unexcused, equals 5 days (30 hours) in a marking period, or 10 days (60 hours) within 90 days. These hours may be accumulated by tardiness, early sign-outs, or daily absences.**

You are required to contact the school each time your child is absent or tardy and provide the school with the reason for the absence or tardiness. When you are notified of an unexcused absence, you are required to immediately contact the school to discuss the situation and to take action to stop the truant behavior. **To report absences, please call the absentee line at 754-322-6502.**

Your child's attendance will be monitored on a daily basis, and unexcused absences and tardies will be reported to you. Should your child have a pattern of non-attendance, you are required to provide a statement to be filed at the school explaining the absences and tardiness. The State Attorney's Office may be notified. The State Attorney's Office may take appropriate action up to and including criminal prosecution of the parent or guardian.

UNIFORM POLICY

Students are required to dress in uniforms. This is a mandatory policy. Below is a description of the policy to assist you. For dress code concerns not listed above, please refer to the Broward County Code of Student Conduct booklet.

BOTTOMS – Colors - Khaki/Tan or Navy

Styles: “Dockers” style – long, straight-leg pants, Capri pants, knee-length walking shorts. “Polo” style dress, jumpers, skirts, skorts, and tennis skirts with shorts attached (with or without pleats)

All of the above must be longer than mid-thigh (finger tip length), no drawstring or oversized pants, no lycra or spandex

TOPS - Colors - Royal Blue, Navy, White, Light Blue, Gray and Pastel Yellow.

Shirts should be solid color, or James S. Hunt logo shirts (these can be purchased through the PTO). Collared “Polo” style (with or without school logo), long or short sleeved. No tank tops or midriffs of any kind no lycra or spandex.

Shoes – Athletic shoes are recommended, however, students must follow School Board Policy regarding footwear. Prohibited are: thonged sandals, flip-flops, slippers and zoris. Belts should be worn for pants or shorts with belt loops.

Students out of uniform will receive a written warning, and after the 3rd warning the student will receive a 1- hour detention after school.

*****JEANS ARE NOT ALLOWED, STUDENTS SHOULD WEAR UNIFORMS*****
MONDAY THROUGH FRIDAY. (REVISED ON MAY 2011)

Spirit shirts will be sold through the PTO and maybe worn on Fridays.

VISITORS

All visitors must report to the school office upon arrival on campus. No unauthorized person is permitted on school grounds at any time. Visitors may **NOT** walk directly into the learning areas but must report to the main office and receive clearance from school personnel before being allowed into student areas. Classroom visits need to be pre-arranged with the classroom teacher at least **24 hours** in advance by contacting the principal at 754-322-6505.

Since research tells us that time on task increases student achievement, instructional time must be protected. Therefore, we will not interrupt teaching time during the instructional day. Messages for students or staff may be left with our office staff and will be delivered appropriately.

Forgotten lunches, money, raincoats, books and other belongings should be brought to the office. Arrangements will be made to deliver them.

VOLUNTEERS

If you are interested in becoming a school volunteer, please see our school volunteer coordinator. All volunteers must complete the Volunteer Registration Form online by visiting www.getinvolvedineducation.com and be approved to work as a school volunteer before participating in any school activities. This procedure applies to any and all classroom volunteer work and to field trip chaperones. By state law, background checks must be completed for any person who will be allowed to work in the school setting or with students during school activities. Consequently, parents who are not approved volunteers or chaperones with the required security background checks and clearance cannot accompany students on school sponsored field trips. Parents who are not officially approved for these activities cannot participate with students and are strongly discouraged from attending field trip sites and activities because of possible security and supervision issues.

VAST (Volunteers Assisting Students and Teachers) guidelines do not permit non-enrolled children or younger siblings to accompany a volunteer during their volunteer time. Volunteers make valuable contributions. Your interest and involvement is always appreciated.

To maintain the educational and safety needs of all students, and to make your experience as a school volunteer a beneficial one, please follow these procedures as you assist in our school:

1. Volunteers are required to complete an application online annually and receive security clearance before beginning their assignment.
2. Volunteers are required to sign in and out on the computer located in the front office.
3. For identification, volunteers must wear a volunteer ID at all times.

4. Volunteers are not allowed to bring younger children with them.
5. Volunteers need to adhere to the guidelines of the teacher with whom they are working with regards to communication with students and supporting school and classroom rules.
6. Volunteers will only be assigned to staff members requesting assistance.
7. Volunteers should set a good example for students by their manner, appearance, and behavior.

A Special Word to Parents/Volunteers

Parents who volunteer in the school that their children attend are in a special situation. It is essential that they hold in confidence any information learned about students. These volunteers must refrain from discussing the capabilities, behavior, attitudes, etc., of students with anyone besides school personnel. They must also be cautious about remarks made within the hearing of their own children.

Parent volunteers should not work with students who are playmates of their children. It is strongly recommended that parents do not work in the same room as their own children, so that all children have the opportunity to develop independent thinking skills and become self-sufficient. Volunteers who work in their children's school must show discretion and tact in conversations about the school and teachers.

Classroom supervision and discipline are the responsibility of the teacher and the school. Volunteers are not to be left alone in the classroom to supervise students. Individual students' grades, records, and abilities are personal and confidential information. Volunteers may not give students medication.

WEAPONS

Possession of weapons of any kind on the school grounds will result in suspension and/or expulsion from school (See Code of Conduct Book for description of weapons) and the Discipline Matrix.

WITHDRAWAL OF STUDENTS

If you are withdrawing your child from school, please contact the school office by telephone or by written communication at least 48 hours prior to the withdrawal date. This will give us ample time to complete the necessary paperwork.

Clearance from the child's teacher, Media Specialist and Cafeteria Manager must be given at the time of withdrawal. A fee will be charged for any lost books. All children withdrawing from school must receive a "Notice of Transfer" form from the office.

Your cooperation is always appreciated.

TARDY POLICY

TARDY POLICY

1. Breakfast begins at **7:15 am.**
2. Students line up at their respective areas by **7:45 am.**
3. Students enter their classrooms at **7:50 am.**
4. The **tardy bell rings at 8:00 am.** Any student arriving in class after **8:00 am** will be marked **tardy** by their classroom teacher (School Board Policy 5.5 C.1).

Procedures When Arriving After 8:00 am

1. If you arrive after 8:00 am, you must escort your child to the office since **there will be no drop off supervision after 8:00 am.**
2. Parents are required to follow the same process to excuse a tardy as they do to excuse and absence.
3. **A student who is tardy for 5 times or more within a marking period is considered habitually tardy** (School Board Policy 5.5, C.6) and parents will receive a notice or call from the school.
4. If the pattern of tardiness continues, a phone call will be made to your home by the school **Social Worker.**
5. If the tardiness is not resolved, a **formal referral** will be made to the **Social Worker** who may request to **visit the home** and assist parents in addressing the issues causing the tardiness.

I have read and understand the Tardy Policy.
