Dear Hunt Community,

School Choice Enhancement Program (SCEP)

The SMART Program, under the direction of the School Board of Broward County, Florida, the District and Superintendent Runcie, has allocated \$100,000 towards School Choice Enhancement capital-related projects at each District school.

HOW IT WORKS: SCEP projects are chosen under the direction of the principal, and in a collaborative effort with the School Advisory Council (SAC), school staff, and the school community through voting (school staff, one vote per student, registered volunteers).

WHAT TO DO:

- Review the attached SMART Bond Ballot.
- Circle either Option 1 or Option 2.
- Return the Ballot to your child's school by Friday, May 10, 2019.

If you are a REGISTERED volunteer and would like to vote, please call the school office and request a ballot. You will be assigned an official ballot with your name and ballot number.

Contact us if you have a question about the School Choice Enhancement Program.  
Thank you for your support and participation.

Sincerely,

Christina Monroe  
Proud Principal
