

## **July 9, 2020 ParentLink Message**

Hello, Lake Forest families. This is your principal, Sharon Boyd. This call comes to keep you informed about the upcoming school year. By now you must know the health, safety, and well-being of our students and staff remain our highest priorities. In order to best meet the needs of all students, we need your help.

We understand families have varying needs and we are working to create options to best meet them. Your voice matters a great deal to us. If you have not done so already, we are asking you to complete a student-specific School Pre-Registration Questionnaire to assist us in planning for the needs of your child. The Pre-Registration Questionnaire may be accessed by logging onto your child's Single Sign-On LaunchPad at [sso.browardschools.com](https://sso.browardschools.com). If you have completed the questionnaire and wish to change your initial selection, you may update your preference by logging back into the survey and responding to the questions again. Please, please complete the questionnaire by Friday, July 10, 2020 at 11:59 p.m.

The School Board will continue its discussion regarding school re-opening options on Tuesday, July 14, 2020. Your input and feedback are essential and will continue to be solicited throughout this planning phase. We will send regular communications to you to get your input. All this information is available on our website in 3 languages.

Thank you for being the best parents in Broward County.  
Have a great weekend.
