

10-6-2020 Reopening

Good evening Lake Forest Parents. Here is an update for reopening.

Students in Pre-K through second grade and self-contained ESE classes that have completed the survey, communicating with us that their child will return to school for face to face learning will return to school this Friday Oct. 9.

Students in grades 3-5 whose parents again, have completed the survey, communicating with us that their child will return to school for face to face learning will return to school on Tuesday Oct. 13.

I want all parents to know we capacity limits in each classroom which is why it was important for parents to complete the survey.

For those students who will be returning, your child's teacher will contact you by Thursday to confirm your child's physical attendance at school, what they should bring with them and how they will get home.

Tomorrow afternoon, I will place on the school's website the rules and expectations for returning to school for you to read and review with your child. If they have never worn a mask, please allow them to practice wearing one throughout the day until their arrival as it is mandatory for everyone to wear a mask or facial covering while on campus.

The next 8 days are filled with time off for students as we prepare classrooms and safety procedures for them. There will be 2 planning days and 3 early release days. This schedule will also be posted on the school's website tomorrow. Please, please look over this information as it is very time sensitive and important.

I want to assure everyone that we are doing everything we can to maintain a safe learning environment for all members of the Lake Forest community. We will continue to post information on the website and alert you through parent link and on Twitter.

Thank you for your patience and cooperation.

Enjoy the rest of your evening
