

Parent Links 2021

Good evening Lake Forest parents. I am calling to give you a few updates on things happening at school

If you purchased a spirit T-shirt for your child, the shirts are in and all have been passed out. If your child was absent today, s/he will get it upon their return to school.

Similar to what's been happening in Broward county and across the nation, we too have had an increase in COVID cases. Most of them occurred over the winter break and students were not affected by it. However, we have had a few positive cases since we returned on January 3. All students and staff that were identified as a close contact to any of the positive cases have already been informed. As a reminder, parents have the option to send their child to school if they've been identified as a close contact IF they are asymptomatic, meaning not showing any symptoms. A sample of the close contact letter has been placed on our school's website in the event you need more information.

We ask that parents continue to do a quick check to see how your child is feeling before you send them to school.

Finally, please know that there is no school on Monday January 17th in honor of Dr. Martin Luther King. Classes have been and will continue to teach his message of peace.

If you have any questions about this parent link, please do not hesitate to contact our front office at 754-323-6350.

Thank you and have a great evening!
