

11-6-2020 Veteran's Day SEL

Happy Friday Lake Forest parents, I'm back with updates and information.

All district schools will administer a Social Emotional Self-evaluation survey to all 3-12 graders on Nov. 13 as part of our continuing effort to improve the school environment. If you would like your child to opt out (meaning not take it), please go to the Lake Forest website homepage and click on the Opt-Out letter link. You may call Ms Palau, our school's guidance counselor if you have any questions.

Tuesday evening at 5:30 we will be conducting our monthly SAC meeting. You may park and enter through the front office or join us virtually, the link is on our website under the SAC information tab.

Next Wed. Nov 11, is Veteran's day and there will be no school in observance of this holiday!

Report cards will be issued on Nov. 12th and can be found on Virtual Counselor.

Finally, Students were directed to take their laptops home for the weekend. Please make sure your child returns with the laptop and charger next week. We ask that you watch the local news for possible impact from Tropical Storm Eta as we move through the weekend! If the storm is set to impact the school, I will send another parent link phone call.

I hope you all remain safe and please enjoy the rest of your evening!
