Health and safety reminders

Good afternoon Lake Forest Families, this is Ms Boyd with a few announcements regarding the 4th quarter. First, some rules about returning to school...

If your child is a remote learner and you are planning on sending him/her back to school, please call the school first so we can ensure proper placement. Any students returning must come with their school issued laptop & charger, all textbooks & learning materials. They are also required to always bring and wear a mask.

If your child has been tested for COVID, they are to remain home until you receive a negative test result. If your child does not feel well, please do not send them to school until they are symptom free and without medication for at least 24 hours.

Finally, even though we are not requiring uniforms this school year due to the pandemic, students are required to follow Broward County School Board dress code. Elementary students are not allowed to wear backless nor open toes shoes, tank tops or sleepwear. If you have questions about this, you can refer to page 26-27 of the Code of Student Contact located on the Broward County School website.

We have 51 school days left and we hope to make them a success for everyone.

Thank you .
