

Parent Links 2021

4-30-21

Greetings Lake Forest parents, this is Ms. Boyd with some important announcements.

Lake Forest will be open this summer for summer school. You can register your child online by logging onto the Lake Forest website www.lakeforest.browardschools.com and look for the BCPS Summer Programs Registration tab. There are 3 programs available to students. The K-5 Summer learning experience which is open to all Lake Forest students. We also have Reclaim and Elevate and ESY. Those 2 programs are for students eligible for the program and would have already received a parent link to register.

While you are on the school's website please scroll down till you see the Parent Survey. We are reminding parents to complete this survey the results of which are used to address school and district policies. Today is the deadline. Thank you in advance for your input.

Finally, we are having a Virtual Kindergarten Round up for anyone who has a child that will be 5 by Sept. 1st. The meeting link is on the Kindergarten flyer also located on the school's website.

Please know that I will be sending more parent links over the next few weeks as we get ready to close the school out. You can also find the texts from the parent links and other important information on our website.

Have a great evening!
