

Parent Link 5/24/2020 Student Pick up

Good evening parents, this is Sharon Boyd your proud principal with updates on the end of the year procedures. This coming week we have scheduled times for you to drive through the school campus and pick up your child's personal items and additional learning materials. Anyone who comes must come in a vehicle, remain in the car, open the trunk/window for the bag of student items, then exit the campus. The following schedule was developed for us to maintain proper social distancing while staff is on campus.

Tuesday	May 26 from 1-3	Pre K, Head Start, K
Wednesday	May 27 from 1-3	1 <sup>st</sup> & 2 <sup>nd</sup>
Thursday	May 28 from 1-3	3 <sup>rd</sup> & 4 <sup>th</sup>
Monday	June 1 <sup>st</sup> from 5-7	5 <sup>th</sup>

As a reminder, the last day for meal distribution is Wed. May 27. Please access the school's website [www.lakeforest.browardschools.com](http://www.lakeforest.browardschools.com) for more information and links to district sites for summer meal programs.

Finally, June 2 is the last day of school. As Superintendent Robert Runcie has already stated, students will be able to keep their laptop devices throughout the summer to continue their learning. We have placed links and resources on our website. Reach out to your child's teacher if there is a specific resource you feel your child needs. If you plan to move out of Broward County we ask you drop off the laptop and charger to the school's front office.

Thank you for all your support throughout this year and especially the past 3 months. I hope and pray you and your family remain safe throughout the summer. Thank you!
