

6-29-2020 Summer Updates

Hello, Lake Forest families. This is Sharon Boyd, your principal. This call comes to keep you informed about the upcoming school year. The health, safety, and well-being of our students and staff remain our highest priorities during this time of uncertainty due to the coronavirus pandemic.

Barring any significant, conflicting guidance received at a later date, District schools, including Lake Forest Elementary, will open for the 20/21 school year. The School Board will continue its discussion regarding school re-opening options on Tuesday, June 30, 2020. We understand families have varying needs and we are working to create options to best meet them. Therefore, we are asking you to complete a student-specific School Pre-Registration Questionnaire to assist us in planning for the needs of your child.

The Pre-Registration Questionnaire may be accessed by logging onto your child's Single Sign-On LaunchPad at sso.browardschools.com.

Please, please complete the questionnaire by next Monday, July 6, 2020.

Your input and feedback are essential and will continue to be solicited throughout this planning phase. We will send regular communications to you to garner your input. We look forward to our continued partnership as we prepare for the opening of the 2020/21 school year. Thank you and please, remain safe!
