

7/4/2020 Pre-Registration Reminder

Greetings parents and Happy 4th of July! This is Sharon Boyd your principal hoping you and your family are safe and healthy. I am calling to first thank all the parents that have responded to the pre-registration questionnaire regarding the reopening of the 20-21 school year and remind you today that there is still time to have your voice heard. It is extremely important we have your input. If you have not yet responded, please visit our school's website at www.lakeforest.browardschools.com where you will find links regarding the questionnaire. There will be an important reminder pop-up that provides you with this information, it may look like a big red exclamation point.

All responses must be submitted by Monday July 6, so please take a moment to answer a few questions. We will be available Monday to answer any other questions you may have.

Thank you and again have a Happy and Safe 4th of July!
