

Parent Link 2021-2022

3-15-22

Good afternoon Lake Forest parents...

As a reminder, tomorrow The Florida Department of Health in Broward County, in partnership with Broward County Public Schools, are providing voluntary free Pfizer COVID-19 vaccination here at Lake Forest tomorrow from 2:00 until 6:00. No insurance required. We are giving first and second doses to students ages 5 to 11 years. Please be aware that students must come to the vaccination event with their parent or guardian who will complete and sign a consent form onsite. You can find the consent form and the Vaccine Information Fact Sheet at lakeforest.browardschools.com under the Health and Safety Tab! If you have any questions about the vaccine, please call DOH-Broward at 954-412-7300, Monday through Friday from 8am to 5pm.

Also please take a moment to complete the parent portion of the annual customer survey. We truly appreciate your time and effort in completing this.

Early release on Thursday and students return on Tuesday March 29.

Have a safe spring break!
