

Parent Links 2021

4-13-2022

Good afternoon Lake Forest parents,

I wanted to remind everyone that this Thursday is an Early Release day when students get out at noon and Friday there is no school. This also means there is no Saturday Camp this week. Camp will resume next Saturday the April 23rd.

There is still time to complete our annual customer survey. We would greatly appreciate your input as the results of this survey help us in making improvements at the school. The link can be found on our school website. Please take a moment for this important survey. Thank you

Set your calendars to join us at on Tuesday April 26 at 6:00 Pm for our monthly School Advisory meeting. We would love your input on our School Improvement plan for next year.

Finally... the district is inviting you to the new Parent University webinar, where District staff will share tools and free resources to help keep students engaged in learning over the summer and ready for next school year.

The pandemic hurt many students' academic progress. To help them stay on track and avoid the summer slide, the Parent Community Involvement Task Force is presenting Parent University: Summer of Learning:

Monday, April 18, at 6:30 p.m. for elementary grades (K - 5)

In addition, for qualifying students attending the District's Summer 2022 Experience to recover academic losses brought on by the pandemic, staff will be on hand to explain how the program will be structured and what you can expect – including food services, transportation and much more. Participants will have the opportunity to ask questions at various points during the presentation.

We hope everyone enjoys the long weekend!
