

Parent Links 2021

9/3/2021

Good afternoon Lake Forest parents.

- Thanks to all the parents that came out for our open house meetings. It was nice to see everyone, even if it was from behind a mask. I'd also like to thank our parents dropping off and picking up students in the car loop for pulling all the way up to help us unload and load as many students as possible to help the line move faster. You all Rock!!
- We still have lots of students coming in after the 8:00 bell. They are considered tardy if they are not in their class by that time. The gates open at 7:30 and there is basically no line at that time. Please help us by getting your child to school on time. Thanks to those who get them to school on time daily!!
- COVID reminder: if you've tested your child/ren for COVID based on being a close contact to a someone who is positive or for having symptoms, PLEASE do not send them to school until you receive the negative results. If you receive a positive result, please call the school and we will direct you to the next steps and let you know when your child can return to school.
- We will be sending out information within the month for parents who would like to participate in our PTO this year. Now that we're back in school, we'd like to schedule activities that provide fun, entertainment, incentives for students and may generate a little \$ in the process.
- I am sure we are all looking forward to the 4-day weekend. Remember, there is no school on Monday and Tuesday Sept 6 & 7. We will see you all back on Wed. Sept. 8th.

Thank you for entrusting your children to us daily...but please know that behind every young child that believes in him/herself is a parent that believed first!! Thanks for being that person!!

Have a great weekend!
