

Fall 2020
Special Edition

Join
us!

What we do:

Please join us! With your help, there is plenty of good our PT SO can do while remaining virtual. This past spring, we supported virtual Teacher & Staff Appreciation Day by contributing gift cards for each of the teachers and staff. In addition, we provided pizza for staff who was on duty during the technology distribution event held in the spring.

PTSO strengthens our school community by bringing parents, teachers, staff, students and administration closer together through parent inclusion and involvement in school related activities, assisting with various needs of our school financially and through volunteering.

Once we return in person, **PTSO** will focus on:

- Coordinating Volunteers and Donations for **Staff Appreciation Week & other events**
- Beautification Project (see webpage)

How we pay for it:

- Membership Dues and Donations
- Sales of our Red Bulldog Spirit Shirts

After returning your Membership Form, you must Register to Volunteer through:

https://webapp.browardschools.com/sbbc_volunteer/VolunteerForm.aspx

Get in the Loop!

Join the conversation through our South Broward High School PT SO Group on the app called "band":
