

# South Broward High School Internet Resource Guide

## Broward SSO/Clever

Broward Single Sign On (SSO) is your one-stop access to most of the website applications students use to accomplish their educational needs. After signing into Broward SSO, you'll have access to many of our website applications without having to sign-in again. It's Broward's one-stop access to most of the website applications students use (Pinnacle, Virtual Counselor, online textbooks, Canvas)

## Pinnacle

This online service provides you with real time information regarding student grades and attendance. Allows parents to set up alerts related to both. Pinnacle also has communication information for student's teachers. You can access Pinnacle through **Broward SSO**.

## Canvas

Canvas is a Learning Management System designed to simplify teaching and learning by connecting all the digital tools teachers use in one easy place. Canvas allows students and parents to engage in student education by providing access to class information. Canvas can be accessed through **Broward SSO**. The Canvas Parent App is also available – reach out to your child's school for information.

## Virtual Counselor for Parents

This Broward County Public Schools (BCPS) online resource provides students and parents with academic information to help better plan while the student is in school. Includes graduation status information, standardized test scores, and more.
