- ❖ **SB 1048 - (Student Assessments):** Passed its second committee. The bill would transition from the FSA to a student progress monitoring system. Elements of the accountability system, such as school grades, student retention, promotion, and teacher evaluations, would remain in place; however, the bill would establish a baseline in the first year for future improvement rating.
- ❖ **House Bill 1421:** Modifies both state-level oversight of school safety requirements and school district-level emergency response procedures. Bill will increase all school safety oversight and accountability in the event of non-compliance by a school district. Bill continues to move through legislative process.
- ❖ **HB 1557 - (Parental Rights in Education):** Passed its first final committee and will now head to the Floor. This bill is a continuation of last year's bill. The bill requires districts to provide more information to parents regarding their student's educational experience. The bill would also limit discussions regarding LGBTQ+ issues in the classroom. If districts violate the provisions of this bill, parents may sue school districts for damages and legal fees. The Senate bill has two more remaining committee stops before reaching the Floor
