Assistant Principal Mr. Dusch talked about improving attendance which will be monitored by the Social Worker and recorded by the IMT. Title I has been submitted

and we are waiting for approval. The state plan was approved based on what we are currently doing.

**V. Title I**

Included as part of Title I compliance to ensure monies are appropriately used are:

- The annual open house
- Staff meeting to go over data
- Goal to identify specific groups that struggle, teach in small groups, and set goals (IEP, ASD, ESE). Fifty percent are meeting these goals and getting the other 50% to proficiency is the goal for improvement.

**VI. Equity**

There are no updates today, Ms. Brown is scheduled to attend the meeting this afternoon.

**VII. Comments/Concerns**

- A parent requested 2 weeks' notice for spirit week in the future
- Friday is character book dress up day (the clothing must be associated with a book)
- The next spirit week will be in November

A parent questioned if a PTA was in place at LPT, Mrs. Garland responded not currently. The parent suggested that we recruit parents to funnel money into the school and boost morale. It was also suggested that social media be used more to communicate with parents and spread word of what is happening at the school.

Assistant Principal Mr. Dusch is currently using robocalls and social media to communicate with LPT community.
