**Message from Administration:** Happy November!

Teachers continue focused instruction with an emphasis on reading, math, writing & STEM with individualized intervention & extension to meet the needs of all students. Teachers are completing many professional development sessions along with ½ day planning sessions to differentiate instruction.

Great news. Our new digital marquee has been installed and electrical hook-up should be completed shortly. Also, our 64 flat screen TVs have been installed in classrooms and our media center is having a new production system installed, all part of our SMART Bond. Our teachers are eager to utilize these technology resources. Our Student Council is completing a Harvest Drive community service project through November 9th. Our PTA Fall Festival was very successful! Thank you to PTA and all of our parents and families who attended this fun, family event.

This year, we're very excited to hold STEM Magnet Museum Nights during the 2<sup>nd</sup> & 4<sup>th</sup> Quarters of the school year. Our first semester STEM Nights are set for December 12 & 13 @ 6pm. See calendar.

We look forward to recognizing our highest achieving students during our upcoming Gold Honor Roll & STEM Awards ceremony later this month. Congratulations to our September & October Kids of Character recognized in this newsletter.

We look forward to seeing our parents at family nights, chaperoning field trips and volunteering in classrooms. Follow us on Twitter at @libertyelschool for school photos and updates and text @2488b4 to join our messaging group.

Information from Margate Resource Officer Hernandez: Things Kids Can Do to Help Stop Violence

- 1- Use your words to settle disagreements, not your fists or weapons.
- 2- Know the safe routes for walking in your neighborhood.
- 3- Report any crime or suspicious activity to the police, school and parents.
- 4- Don't open the door to anyone you do not know.
- 5- If someone that you don't know tries to get you to go with them, say no, get away, and tell a trusted adult.
- 6- Don't use alcohol and other drugs, and stay away from people and places that are associated with them.
- 7- Get involved to make your school safer and better by participating in school activities.
- 8- Help younger children learn the proper way to behave by setting a good example for them.
