Today is National Law Enforcement Appreciation Day

Law Enforcement Officers of every rank and file have chosen a profession that puts their life on the line every day for their communities. The jobs are often thankless and take them away from their families for long hours. Rarely do they know what their days have in store for them.

On National Law Enforcement Day, we have an opportunity to thank them for their service and offer a token of respect.

Announcements to be read:

- There will be a Makerspace meeting today from 2-3:00pm in Bldg 18/Room 285.
