

Atlantic Technical College and Technical High School Announcements

Tuesday March 3, 2020

Today is National 'I Want You to be Happy' Day: Today encourages us to do something that makes others happy. It also asks us to see others' happiness from their point of view. Putting a smile on someone's face tends to put one on ours, too.

Quote of the Day: "There is no substitute for hard work." –Thomas Edison

Announcements to be read:

- March marks Women's History month and throughout the week we will highlight phenomenal women who have shaped our country's history:
