

# Atlantic Technical College and Technical High School Announcements

Thursday, October 3rd, 2019

## Today is Techies Day

This day encourages students to consider a career in technology. With so many opportunities in the growing technology field, students seeking a career in technology will find promising choices anywhere they look.

### Announcements to be read:

- Who doesn't remember watching the animation film "Ice Age, Collision Course" as a little kid? It took four years (14,600 hours) for Lluís Llobera, Elena Ortego (Computer Animators), Antelmo Villarreal (Technical Director), and Roberto Calvo, the film's CGI supervisor, to create this beloved Blue Sky Studios, 20th Century Fox animation.
- Good morning Students and Staff, as you are aware September was National Hunger Action Month and ATC participated by collecting jars of Peanut Butter for the last three weeks. These jars will be donated to various food banks around the county to help feed those in need. First, the Key Club would like to thank all of you who participated by bringing in jars of peanut butter. We collected and donated over 160 jars. THANK YOU! That's fantastic. We'd like to give a shout out to Ms. Sevalia's class with a total of 36 jars and the Culinary Department for their honorable donations of 24 jars. Yet the winner of this year's Cheesecake party from the Cheesecake Factory is Ms. Bergs first period business IT/Web design class. They brought in a total of 58 jars. CONGRATULATIONS! Again, thank you for all your involvement in this collection drive. Every bit helps.
- There will be a Makerspace Meeting today, after school today from 2:00-3:00pm in Bldg 18, Room 285.

### Past Announcements:

- Attention Yearbook Staff!! The general yearbook meeting scheduled today has been postponed for October, 8th, 2019.
- In celebration of Hispanic Heritage Month, here are more facts:  
Antonio A. Mignucci - is an expert scientist specializing in the endangered tropical marine mammals and who founded the non-profit conservation organization Caribbean Stranding Network. He has dedicated his career in caring for injured or stranded sea creatures especially the West Indian Manatee. He is currently the director of the Puerto Rico Manatee Conservation Center.
- Attention Sophomores:  
Are you interested in becoming a nurse?  
ATC will be participating in a special event on October 20, "A Day in the Life of a Nurse."  
Students will be shadowing a nurse at Northwest Medical Center and experiencing what it is like to be a nurse. If you are interested in attending, please stop by the Guidance Office - 2418- for more information and a permission slip. Space is limited!
