Today is Manufacturing Day and Taco Day

Manufacturing Day celebrates those who proudly stand behind our goods and services in America. In the United States, we continue to develop products and unlock new technologies growing our economy.

Announcements to be read:

- Good Morning ATC students! This is just a reminder of our next BYC meeting on Monday, October 7th. The meeting will begin at 2 pm in Ms. Chen's room, room 2439. We look forward to seeing you there, thank you!

Past Announcements:

- Attention Yearbook Staff!! The general yearbook meeting scheduled today has been postponed for October, 8th, 2019.
- Who doesn't remember watching the animation film "Ice Age, Collision Course" as a little kid? It took four years (14,600 hours) for Lluís Llobera, Elena Ortego (Computer Animators), Antelmo Villarreal (Technical Director), and Roberto Calvo, the film's CGI supervisor, to create this beloved Blue Sky Studios, 20th Century Fox animation.
- In celebration of Hispanic Heritage Month, here are more facts:
Antonio A. Mignucci - is an expert scientist specializing in the endangered tropical marine mammals and who founded the non-profit conservation organization Caribbean Stranding Network. He has dedicated his career in caring for injured or stranded sea creatures especially the West Indian Manatee. He is currently the director of the Puerto Rico Manatee Conservation Center.
- Attention Sophomores:
Are you interested in becoming a nurse?
ATC will be participating in a special event on October 20, "A Day in the Life of a Nurse."
Students will be shadowing a nurse at Northwest Medical Center and experiencing what it is like to be a nurse. If you are interested in attending, please stop by the Guidance Office - 2418- for more information and a permission slip. Space is limited!
