COVID-19 Considerations

Planet T Uniforms is committed to the safety of our team and guests. We will strictly follow the local government and CDC Guidelines regarding COVID-19 and Social Distancing measures. As such, we have implemented various initiatives as follows:

1) Reduced in-store traffic:

We ask that you limit the number of people in your party 1 adult and 1 student per appointment time. In-store shopping will be prioritized for those who are on-time for their scheduled appointment. Those without appointments may shop in-store based on available capacity. We will do our best to accommodate "Walks ins" however you may need to schedule at a later time.

2) Increased safety measures:

All guests are required to wear masks or facial coverings and should not have any flu-like symptoms. Our store is equipped with hand sanitizing stations and areas are thoroughly cleaned repeatedly throughout the day. We do close from 1:00-1:45 daily for thorough cleaning and staff lunch. (Staff needs time to safely distance without a face mask without customers present) For additional information on our increased safety measures, please call or email us at info@uniformsbyplanet.com.

3) Fitting rooms are unavailable:

For the safety of our guests, clothing cannot be tried on until further notice. Measure your child's chest, waist, hips and inseam before coming in or consider bringing a set of your child's clothes with you for sizing
