

Good Day Panther Family,

I trust that your summer is off to a great start! Since our iReady subscription is through July 31, 2020, we will be hosting a summer challenge. The top three students from each grade level K-4th with the highest percent of lessons passed in READING will receive their very own personal pizza pie. Yes you heard it right! Those students will receive a pizza pie certificate from Papa Johns for their continued learning on iReady this summer.

Again, iReady is available until July 31 and we encourage all students to participate. Enjoy your summer break!
