## Hi, Welcome to the Back to School Forms Wizard

We're here to help you complete the back to school forms required for your child. The wizard makes the process easy. Let's get started.

Note that this tool currently supports the completion of back to school forms for returning Broward County Public School students only. It is not intended to be used for new students, transfer students from other school districts, charter school students, or private school students. In those situations, the parent will complete a registration process at the school.
