Dear Parent(s) or Guardian(s):

The Office of Strategic Initiative Management (SIM) needs your input to help develop goals for our new **2019-22 Strategic Plan**. This is your chance to help shape the **future priorities** for Broward County Public Schools. The voices of all students, parents, teachers, community members, staff, and administrators matter to us!

Please complete the below **three-question survey by Friday, September 14, 2018**, to provide your feedback on the top strengths and weaknesses of the District. You will also be able to indicate on the survey whether you would like to participate in a **future Focus Group** for more in-depth conversations on these topics.

Survey: Visit www.browardschools.com/sim and click on **Strategic Plan Survey**.

Thank you for your support of our continuous improvement efforts and your participation in planning our future!

If you have any questions, **please contact Dr. Deborah Posner, Executive Director of Strategic Initiative Management, at 754-321-2525.**
