Getting Ready for School and eLearning

August 12-17

Wednesday, August 19, is the first day of school. As we prepare to begin the new school year through eLearning, we know you have questions.

To provide answers, we invite you to join the Parent Community Involvement Task Force and District staff and administrators for our **Parent University: Getting Ready for School and eLearning** live webinar sessions. The four events, which take place between August 12-17, are divided by student groups. They will include step-by-step guidance to help parents assist their students through the school day and information on what to expect once classes begin. District personnel will be available after each presentation to answer questions.
