STUDENT ONLINE FORMS

<http://www.browardschools.com/bts>

- Move from paper to online submission of Back-to-School forms to simplify the process for parents/guardians, as well as improve the accuracy of the information provided
- Having current phone numbers and email addresses in our Student Information System/Parentlink is vital to communicate with parents/guardians in an emergency.
- The submission of the Back-to-School forms online streamlines the process of updating parent contact information and is the preferred method of data collection.
- Student / Parent Code of Conduct Acknowledgement Forms

SSE 22-23: ALL SYSTEMS GO!!

- **PARENTS** are responsible for their child's regular school attendance.
- To report an excused absence, visit our website under CONTACT, then select REPORT AN ABSENCE to submit an electronic form, call the attendance hotline, or deliver a note to our staff.
- Our goal is to have ALL students attend more than 95% of school days.
- Students that are absent 5% or more days may require parental interventions from school staff. Truancy notifications may lead to more severe penalties. Absences impact the teaching and learning for all students in the classroom.
- If your child must be absent for an excusable reason, please report the absence within 24 hours. Our attendance clerk will update all absences that are reported and meet one of the reasons in the attendance policy.

Hugging is good medicine...

It transfers energy and gives the person hugged an emotional lift. You need four hugs a day for survival, eight for maintenance and twelve for growth. Scientists say hugging is a form of communication because it can say things you don't have the words for. The nicest thing about a hug is that you usually can't give one without getting one.

THE POWER OF A HUG
