### Notice to Parents of CogAT Assessment

Dear Parents:

Please be advised that we will be administering the Cognitive Abilities Test (CogAT) assessment to all current 2<sup>nd</sup> grade students during the week of March 7, 2022. The assessment will be computer based.

The purpose of the CogAT is to assess the level and pattern of cognitive development of students and to screen all children for possible eligibility for gifted services. This assessment provides valuable information regarding your child's learning strengths and styles that will allow teachers to improve differentiated instruction and student achievement in the classroom.

If you do not want your child to participate in the CogAT assessment, please contact Ms. Ebony Jones, [ebony.jones@browardschools.com](mailto:ebony.jones@browardschools.com) to receive an opt-out form on or before Monday, February 28<sup>th</sup>.

Sincerely,

Shinita Coachman-Beavers  
Principal
