Register 2 Ride

Greeting Patriots!

School bus transportation providers across the nation are experiencing challenges due to driver shortages. Broward is joining other school districts in implementing a new initiative that will require all students eligible for school bus transportation for the 2022/23 school year to register. The goal is to mitigate the driver shortage; create more efficient and effective routes; minimize daily route coverage, bus overloads, and improve arrival times.

Parents, in order to receive a bus assignment, you must answer the question “**Are you going to ride the school bus for the 2022/23 school year?**” on the Register 2 Ride survey.

Please copy and paste the link below to register for bus transportation for **2022-2023**. This will be the only way to guarantee transportation if you qualify.
