PRINCIPAL'S MESSAGE Mr. Robert L. Gibson

Palmview Parents-

We are committed to excellence and are excited to announce adjustments to our academic achievement strategy based on the results of the Progress Monitoring 2 test. As this test plays a critical role in evaluating how well students are mastering grade-level standards, determining their promotion to the next grade, and influencing our school's overall grade, we are introducing additional learning opportunities for all students.

To provide extra support, we will be offering learning opportunities at different times:

Before school: Students can participate in our **Rocking BG's morning program.**

During school: Students will receive support during enrichment sessions and small group pullout programs.

After school: We will provide afterschool tutoring sessions to further assist students.

Please encourage your child to stay focused on completing classwork, homework, and maintaining perfect attendance, as these are key factors in ensuring success as we prepare for the final Progress Monitoring 3 test in May.

Thank you for your ongoing support as we work together to ensure our students' success and maintain our school's "A" grade.

BE IN THE KNOW...

Create Your FOCUS Account!

The Focus Parent Portal is your gateway to staying connected with your student's educational journey in Broward County Public Schools. For the first time, parents/guardians with multiple students will be able to access all their students in one place. The portal will allow you to monitor your student's academic progress, stay informed of upcoming school and district events, and allow you to communicate directly with your student's teachers.

To create a new Parent Portal account, you will need a valid email address. Connecting each of your enrolled students will require the following information:

- Student's full name
- Student's ID number (begins with '06')
- Student's date of birth

If you need assistance with creating an account or connecting your student to your Parent Portal account, please contact the school.

EVERY DAY COUNTS!!

Dear Parents and Guardians-

As we enter a crucial phase of the school year, we're in full **crunchtime mode** to ensure our students get the most out of the next 50 days of learning. Your support at home will be key to keeping them engaged and successful during this important period.

Here are a few ways you can help:

Encourage Consistency: Ensure your child **attends school, before school and after school learning camps** every day, ready to learn.

Support Study Habits: Create a quiet, distraction-free space for homework and review.

Stay Involved: Check in on assignments and discuss what they're learning in school.

Healthy Routines: Promote regular sleep, balanced meals, and breaks for physical activity to keep their energy up.

Together, we can make these next 50 days impactful for your child's growth and success. Thank you for being a vital part of our school community.

Regular attendance is a key factor in a child's academic success. Regular attendance is when a student attends more than 95% of the academic school year; this may include up to 8 absences in a 180-day school year.
