

NOVEMBER

FAMILY ENGAGEMENT MONTH

November is Florida Family Engagement in Education Month, a time to celebrate the crucial role parents and families play in their children's education. When schools work together with families to support learning, children are more motivated to succeed, not just in school, but throughout life. The Florida Department of Education recognizes the vital role that schools and families play throughout a child's educational journey. The state promotes a Dual Capacity-Building Framework for Family-School Partnership, a framework for designing family engagement initiatives that build capacity among educators and families to partner with one another around student success.

During the week of November 15 - 19, 2021 the School Board of Broward County will celebrate Family and Community Engagement Week. The Office of Family and Community Engagement (FACE) and schools will lead activities to celebrate family, school and community partnerships. Visit our website and social media outlets for the calendar of events and activities.

We want to take this time to say Thank You to families, schools and community members for engaging in the education of students.
