Beginning Monday, March 30, 2020, all classes in Broward County will begin computer - based instruction. During this time, we will continue to work at ensuring that students are exposed to grade level content and standards-based instruction. We will utilize our available resources to ensure that students continue to move forward with their grade level curriculum. Listed below I have attached contact information and resources that will be of assistance throughout this process of utilizing our district's on-line platforms.

Parents we ask that you work collaboratively with us as we adjust to this new norm of on-line education. As always, we are here to serve you, therefore, please do not hesitate to contact us if you need further assistance.

Sincerely,
Donna Aaron, Principal
