

Dear Parent or Guardian,

I hope this letter finds you well. We are excited to inform you that your child has been enrolled in our summer math classes, which will be conducted through the Canvas platform.

We highly encourage you to ensure that your student(s) practice over the summer with activities from the Canvas courses. The courses are designed to help students maintain and enhance their math skills over the summer break, ensuring they are well-prepared for the upcoming school year. Our curriculum includes videos, interactive practice, online games, and quizzes to support and cater to students' learning needs.

To access the classes, please follow these steps:

- 1-Log in to Canvas using your child's school credentials.
- 2-Navigate to the "Courses" section and select the summer math class.
- 3-Follow the instructions and materials provided.

If your child cannot locate the course, please use the links below to self-enroll:
