

MISSION POSSIBLE

Operation:

CLEAN our BEACH!

36th Annual International Coastal Cleanup Day

Dr. Von D. Mizell-Eula Johnson State Park

(Formally known as JOHN U. LLOYD STATE PARK)

Dania Beach, FL

Parents & students be a part of the effort to clean our beaches, learn about Marine Plastics school-wide program, and grab a box lunch with new friends!

Parent & student training on our Mission Possible Marine Plastic school-wide program.
Our Friends of NRMS, Community Partners are sponsoring the event.

Saturday, September 18, 2021
9:00am - 12:00pm (noon)

**** Get clean up supplies at the Marina/Boat Access Pavilion or
LEATHERBACK PAVILION ****

You can clean up anywhere along the coastline.

NRMS will be at LEATHERBACK Pavilion following clean-up for our families.

***Free Parking for Beach Clean-up participants. ***

This is a community/family event for Shark families. Please no unsupervised children.

Bring sunscreen, hats, bug spray, and a REFILLABLE WATER BOTTLE. ☺
