

**Sheridan Hills Elementary
Staff Appreciation Week
May 3 - 7, 2021**

It's that time of year when we all join together and appreciate those people who have been there all year for your child. Below are suggestions on how to make your child's teacher feel extra special for the whole week!

Monday - I love my teacher because....

(Have your child wear red or wear a shirt with hearts on it and write a story about their teacher; telling them why they love them or how they have impacted their life this year!)

Tuesday - Couldn't pick a better teacher!

(Have your child pick a flower or even a bouquet for the teacher and bring it in to them in the morning. Flower can be fresh, fake, or hand drawn, or something with a floral print)

Wednesday - No one is as sweet as you!

(Treat your teachers to their favorite snack, candy, or beverage. Or a nice piece of fruit will be welcome to the teacher)

Thursday - A picture is worth a thousand words!

(Have your child dress up like their teacher and draw a picture to brighten up the teacher's day **or** pick out a pretty picture frame that your teacher may enjoy)

Friday - Independent Day

(Use your own imagination and show your appreciation to the teacher the way you think is best! Bring a gift or gift card to a restaurant, store, or even a hug and kind word!)

p.s. Remember our Special Teachers
and Assistants too!

We Love our Sheridan Hills Staff!
